

**SHB 1088 - H AMD 1052**

By Representative MacEwen

1       On page 2, beginning on line 38, after "under" strike all  
2 material through "property." on line 40 and insert "(b) through (d)  
3 of this subsection to perform forty hours of community restitution  
4 removing litter from public or private property, provided that the  
5 jurisdiction operates a community restitution program capable of  
6 supporting the litter removal requirement."

EFFECT: Provides that the mandatory sentence of 40 hours of community restitution for persons who commit a second instance of certain littering offenses does not apply to littering in an amount less than or equal to one cubic foot.

Provides that the mandatory sentence of 40 hours of community restitution for persons who commit a second instance of certain littering offenses applies only to those jurisdictions that operate a community restitution program capable of supporting the litter removal requirement.
