**ADOPTED 03/12/2019**

1       On page 2, line 12, after "(3)" insert "The legislature finds  
2 that the people already pay the costs of multiple taxes and  
3 regulatory mandates on each molecule of fossil fuels used for  
4 transportation, including:  
5       (a) The state oil spill response tax;  
6       (b) The state oil spill administration tax;  
7       (c) The state hazardous substance tax used to fund the state  
8 toxics control account, the local toxics control account, and the  
9 environmental legacy and stewardship account;  
10       (d) The combined state and federal motor vehicle 67.8 cent taxes  
11 to fund transportation projects;  
12       (e) The federal leaking underground storage tank tax and the  
13 state petroleum products tax for underground storage tanks;  
14       (f) Applicable state and local sales taxes; and  
15       (g) The federal renewable fuel standard.  
16       (4) "

EFFECT: Adds legislative findings to the intent section regarding existing taxes and regulatory mandates on fossil fuel used for transportation.
