

SHB 1261 - H AMD 390

By Representative Boehnke

NOT CONSIDERED 12/23/2019

1 On page 2, line 19, after "chapter" insert ". Before the
2 department may take any enforcement action against a person pursuant
3 to this section, the department shall first attempt to achieve
4 voluntary compliance. As part of this first response, the department
5 shall offer information and technical assistance to the person in
6 writing identifying one or more means to accomplish the person's
7 purposes within the framework of the law"

8

EFFECT: Requires the Department of Ecology, before taking enforcement action against a person for unlawful motorized or gravity siphon aquatic mining, to take certain steps to achieve voluntary compliance, including offering technical assistance.
