1 On page 1, after line 17, insert the following:

2 "(3) Beginning July 1, 2020, the aviation division of the  
3 department of transportation must track per fiscal year the amount of  
4 additional funds awarded for airport projects through the airport aid  
5 grant program. At the end of fiscal close for each fiscal year,  
6 beginning June 30, 2021, the aviation division of the department of  
7 transportation must report annually to the transportation committees  
8 of the legislature. The report must include, but is not limited to:

9 (a) A short description of each airport project funded;

10 (b) The state grant amount from the aeronautics account  
11 contributed to each project;

12 (c) The amount of federal matching funds contributed to the  
13 project; and

14 (d) The amount of local airport sponsor matching funds  
15 contributed to the project.

16 (4) At the end of fiscal close of each biennium, beginning June  
17 30, 2022, the aviation division of the department of transportation  
18 must report to the senate ways and means, house appropriations, and  
19 the transportation committees of the legislature the estimated amount  
20 of funds returned to the general fund giving consideration of sales  
21 and business and occupation taxes generated as a result of the funded  
22 airport projects."

EFFECT: Requires the Aviation Division of the Department of Transportation to track the amount of funds awarded for airport projects through the airport aid grant program and annually report details of the tracked amounts to the Senate Ways and Means, House Appropriations, and the Transportation committees of the Legislature. The Aviation Division must also report biennially the estimated amount of funds returned to the General Fund as a result of the airport projects.
