

HB 1638 - H AMD 110

By Representative Shea

ADOPTED 03/05/2019

1 On page 2, line 7, after "disease." insert "Individuals who fail
2 to mount a positive antibody response following a complete vaccine
3 series must be considered non-responders and further vaccination may
4 not be required."

5

EFFECT: Exempts from vaccination requirements an individual who fails to mount a positive antibody response following a complete vaccine series. Requires such an individual to be considered a non-responder.
