1 On page 3, at the beginning of line 20, strike all material
2 through "research" on line 20 and insert "agencies, departments, and
3 commissions identified in subsections (1)(c) through (g) of this
4 section. The state agencies, departments, and commissions identified
5 in subsection (1)(c) through (g) of this section may enter into an
6 interagency agreement related to the provision of staff support for
7 the task force. Unless it is expressly provided for in the agreement
8 between the agencies, departments, and commissions, nothing in this
9 subsection requires staff of each of the agencies, departments, and
10 commissions identified in subsection (1)(c) through (g) of this
11 section to provide staff support to the task force"

EFFECT: Changes who provides staff support to the Joint Legislative Task Force on Problem Gambling (Task Force). Provides that instead of being staffed by Senate Committee Services and the House Office of Program Research, the Task Force must be staffed by the agencies, departments, and commissions who have a representative on the Task Force (i.e., Health Care Authority; Department of Health; Gambling Commission; Lottery Commission; Horse Racing Commission). Authorizes these agencies, departments, and commissions to enter into an interagency agreement related to the provision of staff support for the Task Force, and specifies that unless the agreement provides otherwise, staff of each of the agencies, departments, and commissions are not required to provide staff support to the Task Force.
