

SHB 2322 - H AMD 1688

By Representative Fey

ADOPTED 02/28/2020

1 On page 43, beginning on line 10, after "impact" strike "the
2 existing I-5 corridor from Mounts road to Tumwater analysis." and
3 insert ": the existing I-5 corridor from Mounts road to Tumwater
4 design and operations alternatives analysis; design studies related to
5 HOV lanes or operations; or where it is necessary to continue design
6 and operations analysis related to projects already under
7 development."

8

EFFECT: Makes the following changes:

- Adds details to the Mounts road to Tumwater analysis name.
- Adds that this proviso is not intended to impact design studies related to HOV lanes or operations.
- Adds that this proviso is not intended to impact design and operations analyses related to projects under development.

FISCAL IMPACT: No net change to appropriated levels.
