By Representative Boehnke

1 On page 3, after line 32, insert the following:

2 "(7) The governing authority of an electric utility formed under
3 this chapter may not adopt a beneficial electrification plan under
4 this section if the service area of the electric utility is also
5 served by a natural gas utility that allows customers to purchase
6 offsets for the greenhouse gas emissions associated with their
7 natural gas consumption."

8 On page 5, after line 25, insert the following:

9 "(7) The commission of a public utility district may not adopt a
10 beneficial electrification plan under this section if the service
11 area of the public utility district is also served by a natural gas
12 utility that allows customers to purchase offsets for the greenhouse
13 gas emissions associated with their natural gas consumption."

EFFECT: Prohibits the governing body of a municipal electric utility or public utility district from adopting a beneficial electrification plan if the service area of the utility is also served by a natural gas utility that allows customers to purchase offsets for the greenhouse gas emissions associated with their natural gas consumption.
