

SHB 2586 - H AMD 1258

By Representative Dye

1 On page 3, line 26, after "provides" strike all material through
2 "customers" and insert "both lower costs to residential electric
3 rates and less risk to the reliability of the grid,"

4 On page 5, line 19, after "provides" strike all material through
5 "customers" and insert "both lower costs to residential electric
6 rates and less risk to the reliability of the grid,"

EFFECT: Amends the definition of "beneficial electrification" such that it means electrification of an energy end-use in a way that provides both lower costs to residential electric rates and less risk to the reliability of the grid, rather than referring to the provision of a net benefit to the utility or utility customers.
