

**SHB 2586 - H AMD 1264**

By Representative Goehner

1       On page 2, line 9, after "(2)" insert "The governing authority of  
2 an electric utility formed under this chapter may not adopt a  
3 beneficial electrification plan prior to completing a survey of the  
4 availability of contractors in the local area to install or repair  
5 and service the equipment or systems that are targeted by an  
6 electrification option under the beneficial electrification plan.

7       (3) "

8       Renumber the remaining subsections consecutively and correct any  
9 internal references accordingly.

10       On page 4, line 4, after "(2)" insert "The commission of a public  
11 utility district may not adopt a beneficial electrification plan  
12 prior to completing a survey of the availability of contractors in  
13 the local area to install or repair and service the equipment or  
14 systems that are targeted by an electrification option under the  
15 beneficial electrification plan.

16       (3) "

17       Renumber the remaining subsections consecutively and correct any  
18 internal references accordingly.

EFFECT: Prohibits the governing body of a municipal electric utility or public utility district from adopting a beneficial electrification plan prior to completing a survey of the availability of contractors in the local area to install or repair and service the equipment or systems that are targeted by an electrification option under the beneficial electrification plan.
