

SHB 2586 - H AMD 1266

By Representative Goehner

1 On page 2, line 12, after "sources." insert "Electrification
2 options and program schedules identified under this subsection may
3 not prohibit or otherwise interfere with a customer's ability to
4 choose alternative, nonelectric cooking or grilling equipment."

5 On page 4, line 7, after "sources." insert "Electrification
6 options and program schedules identified under this subsection may
7 not prohibit or otherwise interfere with a customer's ability to
8 choose alternative, nonelectric cooking or grilling equipment."

EFFECT: States that electrification options and program schedules identified in a beneficial electrification plan may not prohibit or otherwise interfere with a customer's ability to choose alternative, nonelectric cooking or grilling equipment.
