

SHB 2586 - H AMD TO H AMD (H-4987.1/20) **1524**

By Representative Goehner

1 On page 3, line 11 of the striking amendment, after "19.405.020."
2 insert "An electric utility may not offer incentives and other
3 programs to accelerate the beneficial electrification of homes and
4 buildings for its customers in any part of the state where the average
5 minimum temperature between November 15 through March 15 is less than
6 forty-five degrees Fahrenheit, unless the replacement equipment is
7 rated for daily use in temperatures lower than forty-five degrees
8 Fahrenheit with an efficiency rating of eighty percent or greater."
9

10 On page 5, line 5 of the striking amendment, after "RCW
11 19.405.020." insert "A public utility district may not offer
12 incentives and other programs to accelerate the beneficial
13 electrification of homes and buildings for its customers in any part
14 of the state where the average minimum temperature between November 15
15 and March 15 is less than forty-five degrees Fahrenheit, unless the
16 replacement equipment is rated for daily use in temperatures lower
17 than forty-five degrees Fahrenheit with an efficiency rating of eighty
18 percent or greater."

EFFECT: Prohibits a municipal electric utility or public utility district from offering incentives and other beneficial electrification programs for its customers in any part of the state where the average minimum temperature between November 15 and March 15 is less than forty-five degrees Fahrenheit, unless the replacement equipment is rated for daily use in temperatures lower than forty-five degrees Fahrenheit with an efficiency rating of eighty percent or greater.
