

SHB 2820 - H AMD 1169

By Representative Klippert

1 On page 3, line 37, after "enforcement." insert "Law enforcement
2 shall immediately enter the order and service records into any
3 computer-based criminal intelligence information system available in
4 this state used by law enforcement agencies to list outstanding
5 warrants or information relating to orders for protection."
6

EFFECT: If a defendant or respondent in a protection order proceeding has been served an order to surrender weapons in open court, requires law enforcement to enter the order and record of service into any state criminal information database used by law enforcement agencies to list outstanding warrants or information related to protection orders.
