

SHB 2957 - H AMD 2105

By Representative Goehner

1 On page 14, line 21, after "(4)" insert "The department must
2 suspend any greenhouse gas emission reduction programs adopted under
3 the authority of this chapter if motor vehicle fuel prices increase
4 by ten percent or more in a one-month time frame, as determined by
5 the department of agriculture.
6 (5) "

EFFECT: Requires the Department of Ecology to suspend greenhouse gas emission reduction programs if the Department of Agriculture determines that motor vehicle fuel prices have increased by at least ten percent in one month.
