4 On page 1, line 11, after "government." insert "The legislature

6 that the executive branch has failed in its efforts to ensure that
7 LGBTQ people are treated equally."

EFFECT: Modifies language in the intent section which states that the state is responsible for ensuring that there is an effective means of advocating for LGBTQ "equity," to instead say that the state is responsible for ensuring that there is an effective means of advocating for LGBTQ "equality." Adds to the intent section a legislative finding that the creation of the commission is evidence of the fact that the executive branch has failed in its efforts to ensure that LGBTQ people are treated equally.
