

**ESSB 5395 - H AMD 1976**

By Representative Young

WITHDRAWN 03/04/2020

1 On page 2, at the beginning of line 33, strike "scientific  
2 research" and insert "results of scientific studies that meet the  
3 highest standards of the scientific method"

4

EFFECT: Removes "scientific research" from the definition of "evidence informed" and replaces it with "results of scientific studies that meet the highest standards of the scientific method."
