

**2SSB 5601** - H COMM AMD  
By Committee on Appropriations

**ADOPTED 03/06/2020**

1 Strike everything after the enacting clause and insert the  
2 following:

3 "NEW SECTION. **Sec. 1.** (1) The legislature finds that growth in  
4 managed health care systems has shifted substantial authority over  
5 health care decisions from providers and patients to health carriers  
6 and health care benefit managers. Health care benefit managers acting  
7 as intermediaries between carriers, health care providers, and  
8 patients exercise broad discretion to affect health care services  
9 recommended and delivered by providers and the health care choices of  
10 patients. Regularly, these health care benefit managers are making  
11 health care decisions on behalf of carriers. However, unlike  
12 carriers, health care benefit managers are not currently regulated.

13 (2) Therefore, the legislature finds that it is in the best  
14 interest of the public to create a separate chapter in this title for  
15 health care benefit managers.

16 (3) The legislature intends to protect and promote the health,  
17 safety, and welfare of Washington residents by establishing standards  
18 for regulatory oversight of health care benefit managers.

19 (b) Pay an initial registration fee and annual renewal  
20 registration fee as established in rule by the commissioner. The fees  
21 for each registration must be set by the commissioner in an amount  
22 that ensures the registration, renewal, and oversight activities are  
23 self-supporting. If one health care benefit manager has a contract  
24 with more than one carrier, the health care benefit manager must  
25 complete only one application providing the details necessary for  
26 each contract.

27 (3) All receipts from fees collected by the commissioner under  
28 this section must be deposited into the insurance commissioner's

30 (4) Before approving an application for or renewal of a  
31 registration, the commissioner must find that the health care benefit  
32 manager:

6 of completion of such transaction.

7 NEW SECTION. **Sec. 4.** (1) A health care benefit manager may not

24 disclosure under chapter 42.56 RCW, if filed in accordance with the  
25 procedures for submitting confidential filings through the system for  
26 electronic rate and form filings and the general filing instructions  
27 as set forth by the commissioner. In the event the referenced filing  
28 fails to comply with the filing instructions setting forth the  
29 process to withhold the contract from public inspection, and the  
30 health care benefit manager indicates that the contract is to be  
31 withheld from public inspection, the commissioner must reject the  
32 filing and notify the health care benefit manager through the system  
33 for electronic rate and form filings to amend its filing to comply  
34 with the confidentiality filing instructions.

35 NEW SECTION. **Sec. 5.** (1) Upon notifying a carrier or health  
36 care benefit manager of an inquiry or complaint filed with the  
37 commissioner pertaining to the conduct of a health care benefit  
38 manager identified in the inquiry or complaint, the commissioner must

1 provide notice of the inquiry or complaint concurrently to the health  
2 care benefit manager and any carrier to which the inquiry or  
3 complaint pertains.

4 (2) Upon receipt of an inquiry from the commissioner, a health  
5 care benefit manager must provide to the commissioner within fifteen  
6 business days, in the form and manner required by the commissioner, a  
7 complete response to that inquiry including, but not limited to,  
8 providing a statement or testimony, producing its accounts, records,  
9 and files, responding to complaints, or responding to surveys and  
10 general requests. Failure to make a complete or timely response  
11 constitutes a violation of this chapter.

12 (3) Subject to chapter 48.04 RCW, if the commissioner finds that  
13 a health care benefit manager or any person responsible for the  
14 conduct of the health care benefit manager's affairs has:

15 (a) Violated any insurance law, or violated any rule, subpoena,  
16 or order of the commissioner or of another state's insurance  
17 commissioner;

18 (b) Failed to renew the health care benefit manager's  
19 registration;

20 (c) Failed to pay the registration or renewal fees;

21 (d) Provided incorrect, misleading, incomplete, or materially  
22 untrue information to the commissioner, to a carrier, or to a  
23 beneficiary;

24 (e) Used fraudulent, coercive, or dishonest practices, or  
25 demonstrated incompetence, or financial irresponsibility in this  
26 state or elsewhere; or

27 (f) Had a health care benefit manager registration, or its  
28 equivalent, denied, suspended, or revoked in any other state,  
29 province, district, or territory;

30 the commissioner may take any combination of the following actions  
31 against a health care benefit manager or any person responsible for  
32 the conduct of the health care benefit manager's affairs, other than  
33 an employee benefits program:

34 (i) Place on probation, suspend, revoke, or refuse to issue or

37 benefit manager and contracting carrier;

39 dollars per violation, and the contracting carrier is subject to a  
40 fine for acts conducted under the contract;

1 (iv) Issue an order requiring corrective action against the  
2 health care benefit manager, the contracting carrier acting with the  
3 health care benefit manager, or both the health care benefit manager  
4 and the contracting carrier acting with the health care benefit  
5 manager; and

6 (v) Temporarily suspend the health care benefit manager's  
7 registration by an order served by mail or by personal service upon  
8 the health care benefit manager not less than three days prior to the  
9 suspension effective date. The order must contain a notice of  
10 revocation and include a finding that the public safety or welfare  
11 requires emergency action. A temporary suspension under this  
12 subsection (3)(f)(v) continues until proceedings for revocation are  
13 concluded.

14 (4) A stay of action is not available for actions the  
15 commissioner takes by cease and desist order, by order on hearing, or  
16 by temporary suspension.

17 (5)(a) Health carriers and employee benefits programs are  
18 responsible for the compliance of any person or organization acting  
19 directly or indirectly on behalf of or at the direction of the  
20 carrier or program, or acting pursuant to carrier or program  
21 standards or requirements concerning the coverage of, payment for, or  
22 provision of health care benefits, services, drugs, and supplies.

23 (b) A carrier or program contracting with a health care benefit  
24 manager is responsible for the health care benefit manager's  
25 violations of this chapter, including a health care benefit manager's  
26 failure to produce records requested or required by the commissioner.

27 (c) No carrier or program may offer as a defense to a violation  
28 of any provision of this chapter that the violation arose from the  
29 act or omission of a health care benefit manager, or other person  
30 acting on behalf of or at the direction of the carrier or program,  
31 rather than from the direct act or omission of the carrier or  
32 program.

33 NEW SECTION. **Sec. 6.** A new section is added to chapter 48.43  
34 RCW to read as follows:

35 (1) A carrier must file with the commissioner in the form and  
36 manner prescribed by the commissioner every contract and contract  
37 amendment between the carrier and any health care benefit manager  
38 registered under section 3 of this act, within thirty days following

1 (2) For health plans issued or renewed on or after January 1,  
2 2022, carriers must notify health plan enrollees in writing of each  
3 health care benefit manager contracted with the carrier to provide  
4 any benefit management services in the administration of the health  
5 plan.

6 (3) Contracts filed under this section are confidential and not  
7 subject to public inspection under RCW 48.02.120(2), or public  
8 disclosure under chapter 42.56 RCW, if filed in accordance with the  
9 procedures for submitting confidential filings through the system for  
10 electronic rate and form filings and the general filing instructions  
11 as set forth by the commissioner. In the event the referenced filing  
12 fails to comply with the filing instructions setting forth the  
13 process to withhold the contract from public inspection, and the  
14 carrier indicates that the contract is to be withheld from public  
15 inspection, the commissioner must reject the filing and notify the  
16 carrier through the system for electronic rate and form filings to  
17 amend its filing to comply with the confidentiality filing  
18 instructions.

19 (4) For purposes of this section, "health care benefit manager"  
20 has the same meaning as in section 2 of this act.

21 **Sec. 7.** RCW 48.02.120 and 2011 c 312 s 1 are each amended to  
22 read as follows:

24 his or her proceedings, hearings, investigations, and examinations,  
25 and shall file such records in his or her office.

27 or her office shall be open to public inspection, except as otherwise  
28 provided by sections 4 and 6 of this act and this code.

29 (3) Except as provided in subsection (4) of this section,  
30 actuarial formulas, statistics, and assumptions submitted in support  
31 of a rate or form filing by an insurer, health care service  
32 contractor, or health maintenance organization or submitted to the  
33 commissioner upon his or her request shall be withheld from public

38 section applies only to the numeric values of each small group rating  
39 factor used by a health carrier as authorized by RCW 48.21.045(3)(a),

1 48.44.023(3)(a), and 48.46.066(3)(a). Subsection (3) of this section  
2 may continue to apply for a period of one year from the date a new  
3 individual or small group product filing is submitted or until the  
4 next rate filing for the product, whichever occurs earlier, if the  
5 commissioner determines that the proposed rate filing is for a new  
6 product that is distinct and unique from any of the carrier's  
7 currently or previously offered health benefit plans. Carriers must  
8 make a written request for a product classification as a new product  
9 under this subsection and must receive subsequent written approval by  
10 the commissioner for this subsection to apply.

11 (5) Unless the commissioner has determined that a filing is for a  
12 new product pursuant to subsection (4) of this section, for all  
13 individual or small group health benefit rate filings submitted on or

19 part II written explanation of the rate increase available for public  
20 inspection on the tenth calendar day after the commissioner  
21 determines that the rate filing is complete and accepts the filing  
22 for review through the electronic rate and form filing system; and

23 (b) Prepare a standardized rate summary form, to explain his or  
24 her findings after the rate review process is completed. The  
25 commissioner's summary form must be included as part of the rate

EFFECT: Exempts employee benefits programs from the enforcement  
actions the Insurance Commissioner is authorized to impose.

Adds pharmacy fee structures in the delivery of pharmacy benefits  
to the subjects the work group must review and include in its final  
report.

Changes the membership of the work group by: (1) Removing the  
representative of a state agency that purchases health care services  
and drugs for a selected population, (2) removing the representative  
of a health carrier offering health plans to Medicaid enrollees, (3)  
adding a representative from the Office of the Insurance  
Commissioner, (4) adding a representative from each of the two  
largest caucuses of the House of Representatives and the Senate, (5)  
changing the composition of the pharmacy members to one representing  
all pharmacies and one representing hospital pharmacies, instead of  
one representing independent pharmacies and one representing chain  
pharmacies, (6) reducing the number of health carrier members to one

representing health carriers offering coverage in the state and one representing a health maintenance organization offering coverage in the state, instead of one representative from every health carrier offering coverage in the state, (7) clarifying that the Public Employees' Benefits Board and the School Employees' Benefits Board be represented by the Health Care Authority, and (8) clarifying that the second Health Care Authority member represent the state Medicaid program.

Delays the work group's final report until September 1, 2021 (instead of December 1, 2020) and requires a progress report by January 1, 2021. Changes the effective date for the Insurance Commissioner's rulemaking authority from July 1, 2021, to 90 days after the adjournment of the session in which the bill is passed.
