EFFECT: (1) Clarifies that a generating utility's share of the exemption is calculated based on their nameplate capacity. (2) Clarifies the way in which the Department of Commerce must calculate each generating utility's share of the exemption. (3) Modifies language related to requisite labor standards to be consistent with

other subsections of the bill. (4) Modifies the definition of "generating utility" to mean an electric utility as defined in RCW 19.29A.010.
