8 and insert the following:

9 ": (a) Be provided not less than fourteen and not more than sixty  
10 days in advance of testing; (b) Include contact information where the  
11 law enforcement agency can communicate with the self-certifying entity  
12 testing the autonomous vehicle regarding the testing planned in that  
13 jurisdiction; and (c) Provide"

14  
15 On page 3, line 10 of the amendment, after "tested" insert "  
16 including make, model, color and license plate number"

17

EFFECT: Modifies the requirement for collision and moving violation reporting to apply during the testing period of autonomous motor vehicles. Adds timing requirements, contact information and specific vehicle description information to the written notice required to be provided to law enforcement for autonomous vehicle testing.
