1 On page 4, after line 9, insert the following:

2 "(3) Beginning on the effective date of this section, every  
3 proposed modification of an emission performance standard for a solid  
4 fuel burning device must be approved by the applicable authority, if  
5 any, before a rule adopting the new emission performance standard may  
6 take effect within the area under the jurisdiction of the authority."

EFFECT: Requires local clean air authorities to approve modifications to solid fuel burning device emission performance standards before rules adopting such modifications may take effect.
