1 On page 7, line 12, after "(6).", insert "However, the notice of
2 infraction may provide the registered owner of the vehicle the option
3 of a waiver of the infraction if the owner of the vehicle completes a
4 demographic and transit service survey. The waiver option is only
5 available to the first notice of infraction issued to the registered
6 owner under the pilot project. The demographic and transit service
7 survey must be created by the city after consultation with transit
8 service providers. The purpose of the survey is to determine why the
9 individual did not use transit, to capture socioeconomic demographic
10 data on the individual, the individual's trip origin and destination,
11 and other pertinent information related to transportation choices and
12 options available to persons traveling into the city."

EFFECT: Authorizes a city implementing a pilot program to allow the first infraction to be waived for a person who completes a demographic and transit survey. The city must create the survey in consultation with transit service providers. The purpose of the survey is to obtain information about the transit service available to persons traveling into the city.
