By Senator Hunt

1        On page 4, line 28, after "insert ", strike "increasing the  
2 flexibility of local governments to address affordable housing needs  
3 by allowing implementation of a sales and use tax without restricting  
4 other taxing authority and specifying use of funds derived from  
5 implementation of the tax", and insert "providing additional funding  
6 mechanisms for local governments to effectively address affordable  
7 housing needs by allowing implementation of a sales and use tax for  
8 specified uses without restricting other taxing authority"

9        EFFECT: Amends the title to read: "An Act Relating to providing  
additional funding mechanisms for local governments to effectively  
address affordable housing needs by allowing implementation of a  
sales and use tax for specified uses without restricting other  
taxing authority".
