Background:

Discover Pass and Day-Use Permits.

The Discover Pass establishes a user fee for motor vehicle access to recreational areas managed by the State Parks and Recreation Commission (State Parks), the Department of Natural Resources, and the Department of Fish and Wildlife. A Discover Pass costs \$30 per year, while a day-use permit costs \$10 per day. The penalty for a failure to comply with the Discover Pass or day-use permit requirements is \$99, although a person that presents a court with proof of the purchase of a Discover Pass within 15 days of the violation must have their penalty reduced to \$59.

This analysis was prepared by non-partisan legislative staff for the use of legislative members in their deliberations. This analysis is not a part of the legislation nor does it constitute a statement of legislative intent.

Sno-Park Permits.

The State Parks operates more than 120 Sno-Parks, which are parking lots cleared of snow. Sno-Parks provide access to land available for snowmobiling, tubing, cross-country skiing, and general snow play.

During the winter months of November through March, a daily or seasonal Sno-Park permit must be displayed on motor vehicles parked at a Sno-Park. A seasonal Sno-Park permit costs \$40, and a daily Sno-Park permit costs \$20. Persons with a seasonal Sno-Park permit do not need to display a Discover Pass. At some locations, persons with a daily Sno-Park permit must also display a day-use or annual Discover Pass. The penalty for a failure to comply with a Sno-Park permit requirement is \$73.

Summary of Substitute Bill:

During the winter months of November through March, a vehicle displaying a daily Sno-Park permit at a designated Sno-Park is not required to display a Discover Pass.

Substitute Bill Compared to Original Bill:

The original bill exempted a vehicle displaying a Discover Pass day-use permit at a designated Sno-Park from Sno-Park permit requirements. The substitute bill instead exempts vehicles with a daily Sno-Park permit from Discover Pass requirements.

Appropriation: None.

Fiscal Note: Available.

Effective Date of Substitute Bill: The bill takes effect 90 days after adjournment of the session in which the bill is passed.

Staff Summary of Public Testimony:

(In support) This bill fixes a top complaint by park users, as there is confusion and frustration about the need to display two permits at some Sno-Parks. The bill should be clarified to allow access with only a Sno-Park permit, not a Discover Pass.

(Opposed) None.
