

# SENATE BILL REPORT

## SHB 1715

---

As of February 27, 2020

**Title:** An act relating to removing the ability of school districts to withhold grades and transcripts of pupils.

**Brief Description:** Removing school districts' ability to withhold pupils' grades and transcripts.

**Sponsors:** House Committee on Education (originally sponsored by Representatives Entenman, Boehnke, Jinkins, Ortiz-Self, Bergquist and Pollet; by request of State Board for Community and Technical Colleges).

**Brief History:** Passed House: 3/06/19, 66-30; 1/27/20, 65-32.

**Committee Activity:** Early Learning & K-12 Education: 3/25/19, 4/01/19 [DPA, DNP]; 2/24/20.

### Brief Summary of Bill

- Limits the ability of a school district to withhold the grades and transcript of a student who is responsible for damaging certain property to five years after the student exits the school district.
- Requires that school districts, when informing either a pupil or the pupil's parent or guardian that the pupil's grades, diploma, or transcripts are being withheld due to damaging property, provide information on payment, community service, and the five-year withholding limit.
- Directs each school district that has an associated student body to publish information on the number of students subject to the withholding of their grades, diplomas, or transcripts in the last five years, and how many of these students were eligible for free or reduced-price meals in their last year of enrollment in the district.

*This analysis was prepared by non-partisan legislative staff for the use of legislative members in their deliberations. This analysis is not a part of the legislation nor does it constitute a statement of legislative intent.*

**Minority Report:** Do not pass.

Signed by Senators Hawkins, Ranking Member; Holy, Padden and Wagoner.

**Staff:** Benjamin Omdal (786-7442)

**Background:** Withholding of Grades, Diplomas, and Transcripts. If any property of a school district, a contractor of the district, an employee, or another student has been lost or willfully cut, defaced, or injured, a school district may withhold the grades, diploma, and transcripts of a pupil responsible. A district may withhold these items until the pupil or the pupil's parent or guardian has paid for the damages.

If the pupil and parent or guardian are unable to pay for the damages, the school district shall provide a program of voluntary work for the pupil in lieu of the payment of monetary damages. The grades, diploma, and transcripts of the pupil shall be released upon completion of the work. The parent or guardian shall be liable for damages as otherwise provided by law.

Associated Student Body. An associated student body (ASB) is a formal student organization at a school. An ASB is approved of and regulated by the school board. School districts with one or more ASB programs must publish certain information about each ASB fund on the school or school district website each year.

Free and Reduced Price Meals. For a student to qualify for free school meals, the student's family income must be at or below 130 percent of the federal poverty level. Students whose families have an income between 130 percent and 185 percent of the federal poverty level are eligible for reduced-price meals.

**Summary of Bill:** Limits on Withholding. A school district withholding a student's grades, diploma, and transcript for damaging property must release the pupil's grades and transcripts five years after the pupil exits the school district. If the pupil and parent or guardian is unable to pay for damages, the district shall provide a program of community service opportunities for the pupil.

Notice of Withholding. When informing the pupil or the pupil's parent or guardian the pupil's grades, diploma, or transcripts will be withheld for damaging property, a school district must provide information on:

- the school district's ability to waive the payment of the monetary damage in part or in full;
- how the pupil may pay monetary damages;
- community service opportunities for the pupil instead of paying monetary damages; and
- the school district release of the pupil's grades and transcripts five years after the pupil exits the school district, or if the pupil has already left the school district, the district must inform the pupil the date on which the school district is obligated to release the pupil's grades and transcripts.

Reporting. Each school district with an ASB must publish the number of former students enrolled in the district within the last five years who were subject to grades, diploma, or

transcript withholding, as well as how many of these former students were eligible for the federal free or reduced-price meals program in their last year of enrollment in the district.

**Appropriation:** None.

**Fiscal Note:** Available.

**Creates Committee/Commission/Task Force that includes Legislative members:** No.

**Effective Date:** Ninety days after adjournment of session in which bill is passed.

**Staff Summary of Public Testimony on Substitute House Bill (Regular Session 2019):** *The committee recommended a different version of the bill than what was heard.* PRO: Fines prohibit individuals from receiving an official or unofficial transcript. Many people who are attempting to earn their diploma cannot afford the fee, which can create a barrier in continuing education. Denying students access to their educational record could result in litigation under FERPA.

OTHER: The original bill had language that OSPI supported due to it being more in line with current educational goals.

**Persons Testifying:** PRO: Troy Goracke, State Board for Community and Technical Colleges; Angela Holley, South Puget Sound Community College.

OTHER: Deb Came, Assistant Superintendent, Assessment and Student Information, OSPI.

**Persons Signed In To Testify But Not Testifying:** No one.

**Staff Summary of Public Testimony (Regular Session 2020):** PRO: Students charged for fees are often members of historically disadvantaged students. The withholding of student educational information is a violation of federal law. For many students, fines are the result of difficult life circumstances. It is the right policy to remove barriers to student advancement. Not being able to pay for fines is an issue of equity.

**Persons Testifying:** PRO: Troy Goracke, Policy Associate, State Board for Community and Technical Colleges; Nicole Walker, South Puget Sound Community College; Joshua Lynch, Office of Superintendent of Public Instruction.
