### SENATE COMMITTEE ON EARLY LEARNING & K-12 EDUCATION

**Staff:** Alex Fairfortune (786-7416)

**Background:** Learning Assistance Program Reporting Requirement. The Learning Assistance Program (LAP) provides supplemental instruction and services to assist students in grades K–12 who are not meeting academic standards, and to reduce disruptive behaviors in the classroom. School districts are required to record into the statewide individual data system, annual entrance and exit performance data for each student participating in LAP. By August 1st of each year, school districts must report specific LAP data to OSPI, including the amount of academic growth gained by students participating in LAP, the number of students who gained at least one year of academic growth, and specific practices, activities, and programs used by each school building that received LAP funding. OSPI must compile school district data and report gains for specific practices, activities, and programs that are the most effective, disaggregated by student subgroups.

Community Eligibility Provision Reporting Requirement. The Community Eligibility Provision (CEP), part of the federal Healthy, Hunger-Free Kids Act is a non-pricing meal service option for schools with a high number of low-income students. A school, group of

schools, or school district is eligible for CEP if at least 40 percent of its students are identified as eligible for free meals, based on their participation in other means-tested programs, such as the Supplemental Nutrition Assistance Program and Temporary Assistance for Needy Families. OSPI must annually report the number of schools that have implemented CEP to the Legislature by September 1st each year.

School District Budget Submission Requirement. All school districts must annually prepare their budget for the ensuing fiscal year, including a summary of the four-year budget plan. School districts must submit one copy of their budget and the four-year budget plan summary to their educational service districts and OSPI for review and comment by July 10th. Copies of all local school district budgets must be filed with OSPI no later than September 10th.

**Summary of Bill:** Learning Assistance Program Reporting Requirement. School districts must report specific LAP data to OSPI by September 30th each year, rather than August 1st. OSPI must compile and report gains for specific practices, activities, and programs by January 1, 2020, and each January 1st thereafter.

CEP Reporting Requirement. OSPI must annually report the number of schools that have implemented CEP to the Legislature by December 1st each year, rather than September 1st.

School District Budget Submission Requirement. School districts must submit a copy of their proposed budget and four-year budget plan summary to their educational service district by July 10th for review and comment. School districts must send a copy of their budget and the four-year budget plan summary to OSPI by September 10th.

**Appropriation:** None.

**Fiscal Note:** Available.

**Creates Committee/Commission/Task Force that includes Legislative members:** No.

**Effective Date:** Ninety days after adjournment of session in which bill is passed.

**Staff Summary of Public Testimony:** PRO: This bill does not change reporting requirements, it just allows OSPI to shift dates to better align with the agency's calendars and school district calendars so that the most accurate data can be obtained. Overall it will improve data quality.

**Persons Testifying:** PRO: Senator Lisa Wellman, Prime Sponsor; Marissa Rathbone, OSPI.

**Persons Signed In To Testify But Not Testifying:** No one.
