Staff: Bonnie Kim (786-7316)

Background: Sales and Use Tax. Retail sales taxes are imposed on retail sales of most articles of tangible personal property, digital products, and some services. A retail sale is a sale to the final consumer or end user of the property, digital product, or service. If retail sales taxes were not collected when the user acquired the property, digital products, or services, then use taxes apply to the value of the property, digital product, or service when used in this state. The state, cities, and all counties levy retail sales and use taxes. The state sales and use tax rate is 6.5 percent. Local sales and use tax rates vary depending on the location.

This analysis was prepared by non-partisan legislative staff for the use of legislative members in their deliberations. This analysis is not a part of the legislation nor does it constitute a statement of legislative intent.

Annexation or Incorporation Exemption. Generally, the sale of personal property by one political subdivision to another political subdivision resulting from an annexation or incorporation, or the use of personal property resulting from the same, is exempt from sales and use taxes.

Summary of Bill: The sale or use of personal property resulting from a merger of two political subdivisions is exempt from sales and use taxes.

This Act is exempt from tax preference performance statement requirements and expires January 1, 2030.

Appropriation: None.

Fiscal Note: Available.

Creates Committee/Commission/Task Force that includes Legislative members: No.

Effective Date: Ninety days after adjournment of session in which bill is passed.

Staff Summary of Public Testimony: PRO: This bill seeks to avoid double taxation when two entities merge. Fire districts have been looking for ways to increase efficiencies and cut costs. This bill gives districts another opportunity to consider merging or consolidating resources. Our district contracted to share equipment and services with another fire district in lieu of annexation. We believe this bill is compatible with the intent of the statute.

Persons Testifying: PRO: Senator Dean Takko, Prime Sponsor; Ryan Spiller, Washington Fire Commissioners Association; Dominic Barrera, Commissioner North Highline Fire District; Julie Hiatt, North Highline Fire District; David Dilley, KCFD 2 (Burien Fire Department).

Persons Signed In To Testify But Not Testifying: No one.
