

# SENATE BILL REPORT

## SB 6485

---

As Reported by Senate Committee On:  
Agriculture, Water, Natural Resources & Parks, January 30, 2020

**Title:** An act relating to a vessel crewmember license.

**Brief Description:** Concerning a vessel crewmember license.

**Sponsors:** Senators Takko and Short.

**Brief History:**

**Committee Activity:** Agriculture, Water, Natural Resources & Parks: 1/28/20, 1/30/20 [DP].

**Brief Summary of Bill**

- Authorizes the Fish and Wildlife Commission to adopt fishery-specific rules pertaining to commercial fishing crewmember licenses.
- Requires crewmember license holders to carry identification.
- Prohibits a crewmember license held by a commercial fishing license holder to be used by an individual who is prohibited from obtaining a crewmember license.

---

### SENATE COMMITTEE ON AGRICULTURE, WATER, NATURAL RESOURCES & PARKS

**Majority Report:** Do pass.

Signed by Senators Van De Wege, Chair; Salomon, Vice Chair; Warnick, Ranking Member; Honeyford, McCoy, Rolfes and Short.

**Staff:** Karen Epps (786-7424)

**Background:** Role of the Department of Fish and Wildlife. The Department of Fish and Wildlife (DFW) serves as manager of the state's fish and wildlife resources. Among other duties, DFW must protect and manage fish and wildlife, including establishing the time, place, manner, and methods used to harvest or enjoy fish and wildlife.

---

*This analysis was prepared by non-partisan legislative staff for the use of legislative members in their deliberations. This analysis is not a part of the legislation nor does it constitute a statement of legislative intent.*

Commercial Fishery Licensing. DFW manages the commercial harvest of fish and shellfish. Commercial fishers, and fish buyers and dealers, must obtain applicable licenses from DFW. In general, commercial fishing license fees are structured by species and fishing gear. There is a resident and nonresident fee for each license type.

Crewmembers of commercial fishing vessels must obtain a crewmember license. A commercial fishing license holder may purchase up to two crewmember licenses for any individual working on the vessel named on the commercial fishing license. Each such crewmember license covers one crewmember per trip. Immediate family members, including spouses, children, or grandchildren, of a person who holds a commercial fishing license are exempt from the crewmember licensing requirement.

Commercial Fishery Enforcement. The fish and wildlife enforcement code contains civil and criminal penalties for violations of commercial fish and wildlife fishing, licensing, and recordkeeping requirements. Examples include:

- fishing for or delivering fish or shellfish without the appropriate license;
- receiving or delivering fish or shellfish for commercial purposes without appropriately documenting the transaction as required by statute or rule; and
- for a fish dealer, purchasing a quantity of fish or shellfish that cannot be processed within 60 hours of the catch, unless the catch can be stored in good marketable condition.

**Summary of Bill:** The Fish and Wildlife Commission may adopt fishery-specific rules to increase the number of commercial fishing crewmember licenses that may be held by a commercial fishing license holder and that pertain to the issuance, validity, use, possession, and display of the license.

Individuals required to have a crewmember license must carry at least one piece of identification that contains their photograph and signature. A crewmember license held by a commercial fishing license holder may not be used to cover an individual who is prohibited from obtaining a crewmember license.

**Appropriation:** None.

**Fiscal Note:** Not requested.

**Creates Committee/Commission/Task Force that includes Legislative members:** No.

**Effective Date:** Ninety days after adjournment of session in which bill is passed.

**Staff Summary of Public Testimony:** PRO: This bill provides some flexibility and makes things workable. It brings the state in line with Oregon's process. The Legislature established crewmembers licenses in 2017 and this small change is necessary in order to perfect the language. DFW requested the provision requiring a license holder to have valid identification and that they may not be prohibited from obtaining a license.

**Persons Testifying:** PRO: Senator Dean Takko, Prime Sponsor; Tom Echols, Washington Dungeness Crab Fishermens Association, Purse Seine Vessel Owners Association, CCF.

**Persons Signed In To Testify But Not Testifying:** No one.
