1 AN ACT Relating to governmental continuity during emergency
2 periods; amending RCW 38.52.010, 38.52.030, 42.14.010, 42.14.020,
3 42.14.030, 42.14.035, 42.14.040, 42.14.050, and 42.14.075; creating a
4 new section; and providing a contingent effective date.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

6 NEW SECTION. **Sec. 1.** The legislature finds that the ability of
7 government to fulfill its constitutional and statutory
8 responsibilities by continuing to conduct essential functions and
9 services during the periods of significant disruption that follow
10 catastrophic incidents requires both continuity of operations
11 planning by individual agencies and continuity of government planning
12 by state and local government. It is the intent of the legislature
13 that all levels and branches of government, both state and local,
14 take appropriate action to cooperatively conduct appropriate planning
15 and preparation for continuity of operations and government to assist
16 in fulfilling these responsibilities.

17 **Sec. 2.** RCW 38.52.010 and 2017 c 312 s 3 are each amended to
18 read as follows:

19 As used in this chapter:

1 (1) "Catastrophic incident" means any natural or human-caused
2 incident, including terrorism and enemy attack, that results in
3 extraordinary levels of mass casualties, damage, or disruption
4 severely affecting the population, infrastructure, environment,
5 economy, or government functions.

6 (2) "Communication plan," as used in RCW 38.52.070, means a

14 appropriate changes of leadership whether appointed or elected; (b)
15 filling vacancies; (c) interoperability communications; and (d)
16 processes and procedures to reconvene government following periods of
17 disruption that may be caused by a catastrophic incident. Continuity
18 of government planning is intended to preserve the constitutional and

20 and provide for the continued performance of essential functions and
21 services by each level and branch of government.

22 (4) "Continuity of operations planning" means the internal effort

34 all hazards, whether natural, technological, or human caused, and to
35 provide support for search and rescue operations for persons and
36 property in distress. However, "emergency management" or
37 "comprehensive emergency management" does not mean preparation for
38 emergency evacuation or relocation of residents in anticipation of
39 nuclear attack.

1 (~~(6)~~) (8) "Emergency or disaster" as used in all sections of
2 this chapter except RCW 38.52.430 (~~(shall)~~) means an event or set of

26 county executive, however designated, and, in the case of other
27 counties, the county legislative authority. In the case of cities and
28 towns, it means the mayor in those cities and towns with mayor-
29 council or commission forms of government, where the mayor is
30 directly elected, and it means the city manager in those cities and
31 towns with council manager forms of government. Cities and towns may
32 also designate an executive head for the purposes of this chapter by
33 ordinance.

12 governor, shall be responsible to the governor for carrying out the

36 residents in anticipation of nuclear attack. This plan shall be known
37 as the comprehensive emergency management plan.

38 (4) In accordance with the comprehensive emergency management
39 plans and the programs for the emergency management of this state,

1 the director shall procure supplies and equipment, institute training

4 emergency management organizations in advance of actual disaster, to
5 insure the furnishing of adequately trained and equipped forces of
6 emergency management personnel in time of need.

7 (5) The director shall make such studies and surveys of the

31 38.52.010(6). Such program may be integrated into and coordinated
32 with disaster assistance plans and programs of the federal government
33 which provide to the state, or through the state to any political
