1 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

2 NEW SECTION. **Sec. 1.** FINDINGS—INTENT. (1) The legislature finds
3 that discrete efforts are being made at state and local levels to
4 address the educator shortage, but these efforts need to be
5 streamlined and performed in concert, in order to enhance the effect
6 of these recruitment and retention strategies.

7 (2) The legislature also reaffirms that excellent, effective
8 educators and educator leaders are essential to the state's ongoing
9 efforts to establish a world-class, globally competitive education
10 system. As acknowledged in Engrossed Substitute House Bill No. 2261
11 (chapter 548, Laws of 2009), "Teachers, principals, and
12 administrators must be provided with access to the opportunities they
13 need to gain the knowledge and skills that will enable them to be
14 increasingly successful in their classroom and schools. A system that
15 clearly defines, supports, measures, and recognizes effective
16 teaching and leadership is one of the most important investments to
17 be made."

18 (3) Therefore, the legislature intends to seize the challenges
19 presented by the educator workforce shortage in Washington to build
20 the capacity of the education system to attract, retain, support, and
21 sustain successful educators through:

- 22 (a) Intentional recruitment strategies;
23 (b) Expanding educator training programs;
24 (c) Focused financial incentives, assistance, and supports;
25 (d) Responsive and responsible retention strategies; and
26 (e) Deeper systems evaluation.

27 **PART I**

28 **RECRUITMENT—CHARACTERISTICS OF INDIVIDUALS**

29 NEW SECTION. **Sec. 101.** FINDINGS—INTENT. (1) The legislature
30 finds that effective educators who share their love of learning
31 inspire students to enter into the education profession. The
32 legislature further finds that every category and level of educator
33 should support and inspire the next generation into careers in
34 education.

1 (2) The legislature finds that a comprehensive effort is needed
2 to repair the disjointed system for attracting persons into
3 certificated educator professions. The legislature acknowledges that
4 Washington is facing a short-term recruitment problem with the
5 immediate need to fill classroom vacancies, but recognizes that it
6 must also solve its long-term recruitment problem by creating a
7 pipeline of interested persons entering into, and remaining in, the
8 educator workforce.

9 (3) Therefore, the legislature intends to support a multipronged
10 grow-your-own initiative to develop persons from the community, which
11 includes programs that target middle and high school students,
12 paraeducators, military personnel, and career changers who are
13 subject matter experts, and that supports these persons to become
14 educators. The initiative includes:

15 (a) Improvements to existing programs and activities, including
16 the recruiting Washington teachers program, the high school career
17 and technical education course called careers in education, and the
18 alternative route teacher certification programs; and

19 (b) Development and implementation of additional programs and
20 activities, including the coordination of existing resources that
21 attract persons with needed skills and abilities, improving standards
22 of practice, and reviewing barriers to recruitment.

23 REGIONAL RECRUITERS

24 NEW SECTION. **Sec. 102.** A new section is added to chapter
25 28A.310 RCW to read as follows:

26 (1) For the purpose of this section, "educator" means a
27 paraeducator, teacher, principal, administrator, superintendent,
28 school counselor, school psychologist, school social worker, school
29 nurse, school physical therapist, school occupational therapist, or
30 school speech-language pathologist or audiologist.

32 duties are to provide to local school districts the following
33 services related to educator recruitment:

34 (a) Serve as a liaison between local school districts and
35 educator preparation programs, between their region and other regions
36 in the state, and between the local school districts and agencies
37 that may be helpful in educator recruitment efforts, including the
38 office of the superintendent of public instruction, the Washington

1 professional educator standards board, the paraeducator board, the
2 student achievement council, the state board for community and
3 technical colleges, the state department of veterans affairs, the
4 state military department, and the workforce training and education
5 coordinating board;

6 (b) Encourage and support local school districts to develop or
7 expand a recruiting Washington teachers program under RCW

9 program, or an alternative route teacher certification program under
10 chapter 28A.660 RCW;

11 (c) Provide outreach to community members who may be interested
12 in becoming educators, including high school and college students,
13 subject matter experts, and former military personnel and their
14 spouses;

15 (d) Support persons interested in becoming educators by providing
16 resources and assistance with navigating transition points on the
17 path to a career in education; and

18 (e) Provide resources and technical assistance to local school
19 districts on best hiring processes and practices.

20 (3) A person employed to provide the services described in
21 subsection (2) of this section must be reflective of, and have an
22 understanding of, the local community.

23 NEW SECTION. **Sec. 103.** A new section is added to chapter
24 28A.630 RCW to read as follows:

25 (1)(a) Subject to the availability of amounts appropriated for
26 this specific purpose, the Washington professional educator standards
27 board must administer the regional educator recruitment program.
28 Grant awards of up to one hundred thousand dollars each must be
29 awarded to the two educational service districts whose school
30 districts have the least access to alternative route teacher
31 certification programs under chapter 28A.660 RCW.

32 (b) Beginning September 1, 2019, the educational service
33 districts in the program must employ a person with the duties and
34 characteristics specified in section 102 of this act. The educational
35 service districts in the program must collaborate with the Washington
36 professional educator standards board and the Washington association
37 of educational service districts to prepare the report required in
38 (c) of this subsection.

1 (c) By December 1, 2021, and in compliance with RCW 43.01.036,
2 the Washington professional educator standards board, in
3 collaboration with the Washington association of educational service
4 districts, must evaluate the program and submit a report to the
5 appropriate committees of the legislature. At a minimum, the report
6 must: Summarize the activities of the educational service districts
7 in the program with regard to educator recruitment, including the
8 activities described in section 102 of this act, in comparison to the
9 educator recruitment activities of the educational service districts
10 not participating in the program; include any relevant outcome data
11 that is available; and recommend whether the program should be
12 modified, expanded to all educational service districts, or
13 discontinued.

14 (2) This section expires July 1, 2022.

15 STUDENTS

16 **Sec. 104.** RCW 28A.415.370 and 2007 c 402 s 10 are each amended
17 to read as follows:

2 read as follows:

3 (~~In 2017, funds must be appropriated for the purposes in this~~

15 Districts selected by the Washington professional educator standards
16 board must partner with at least one two-year and one four-year
17 college in planning and implementing the program. The Washington
18 professional educator standards board shall provide oversight.

19 (3) Participating school districts must implement programs,

21 school students and recruits them to enroll in the program when they
22 begin their ninth grade of high school; (b) activities in ninth and
23 tenth grades that help build student agency, such as self-confidence
24 and awareness, while helping students to develop academic mind-sets
25 needed for high school and college success; the value and benefits of

22 CAREER CHANGERS

23 **Sec. 106.** RCW 28A.660.020 and 2017 c 14 s 1 are each amended to
24 read as follows:

25 SUBJECT MATTER EXPERTS—THROUGH ALTERNATIVE ROUTES. (1) (~~The~~
26 ~~professional educator standards board shall transition the~~
27 ~~alternative route partnership grant program from a separate~~
28 ~~competitive grant program to a preparation program model to be~~
29 ~~expanded among approved preparation program providers.)) (a)
30 Alternative route(~~s~~) programs are partnerships between Washington
31 professional educator standards board-approved preparation programs,
32 Washington school districts, and other partners as appropriate.
33 Program design of alternative route programs (~~shall continue to~~)
34 must evolve over time to reflect innovations and improvements in
35 educator preparation.~~

36 (b) The Washington professional educator standards board must
37 construct rules that address the competitive grant process and
38 program design.

30 program.

31 (3) Beginning December 1, 2017, and by December 1st each odd-
32 numbered year thereafter, the Washington professional educator
33 standards board shall report to the education committees of the house
34 of representatives and the senate the following outcomes as
35 indicators that alternative route programs are meeting legislative

39 Washington professional educator standards board shall examine the

1 ~~((historical record of the data, reporting on))~~ following data on
2 alternative route program participants:

3 (a) The number and percentage ~~((of alternative route completers))~~

15 amounts appropriated for this specific purpose, alternative route
16 programs may apply for program funds to pay stipends to trained
17 mentor teachers of interns during the mentored internship. The per
18 intern amount of mentor stipend provided by state funds shall not
19 exceed five hundred dollars.

20 **Sec. 107.** RCW 28A.660.035 and 2017 c 14 s 2 are each amended to
21 read as follows:

22 COMMUNITY MEMBERS—THROUGH ALTERNATIVE ROUTES. The office of the
23 superintendent of public instruction shall identify school districts
24 that have the most significant ~~((achievement gaps))~~ academic
25 disparities among subgroups of students and for large numbers of
26 those students, and districts that should receive priority for
27 assistance in advancing cultural competency skills in their
28 workforce. The Washington professional educator standards board shall
29 provide assistance to the identified school districts to develop
30 partnership ~~((grant))~~ programs between the districts and teacher
31 preparation programs to provide alternative route programs under RCW
32 28A.660.020 and to recruit paraeducators and other ~~((individuals))~~
33 persons in the local community to become ~~((certified))~~ certificated
34 as teachers. An alternative route partnership program proposed by an
35 identified school district shall receive priority eligibility for
36 partnership grants under RCW 28A.660.020. To the maximum extent
37 possible, the board shall coordinate the recruiting Washington
38 teachers program under RCW 28A.415.370 with the alternative route
39 partnership programs under this section.

1 NEW SECTION. **Sec. 108.** MILITARY PERSONNEL AND THEIR SPOUSES—
2 REVIEW BARRIERS TO RECRUITMENT. (1) The Washington professional
3 educator standards board shall convene a work group to examine and
4 make recommendations on recruitment of military personnel and their
5 spouses into educator positions within the school districts. For the
6 purpose of this section, "educator" means a paraeducator, teacher,
7 principal, administrator, superintendent, school counselor, school
8 psychologist, school social worker, school nurse, school physical
9 therapist, school occupational therapist, or school speech-language
10 pathologist or audiologist.

12 from the office of the superintendent of public instruction, the
13 state department of veterans affairs, the state military department,
14 the United States department of defense, educator preparation
15 programs, and state educator associations, and a superintendent from
16 a school district in the vicinity of a military installation.

17 (3) The work group must review the barriers that exist to former
18 military personnel becoming educators in Washington, including
19 obtaining academic credit for prior learning and financial need.

20 (4) Staff support for the work group must be provided by the
21 Washington professional educator standards board.

22 (5) By December 1, 2019, and in compliance with RCW 43.01.036,

27 28A.630 RCW to read as follows:

28 EDUCATIONAL SERVICE DISTRICT ALTERNATIVE ROUTE PILOT PROGRAM.

29 (1)(a) Subject to the availability of amounts appropriated for this
30 specific purpose, the Washington professional educator standards
31 board shall distribute grants to an educational service district that
32 volunteers to pilot an alternative route teacher certification
33 program, under chapter 28A.660 RCW. The purpose of the grant is to
34 provide financial assistance to teacher candidates enrolled in the
35 educational service district's alternative route teacher
36 certification program with the intent to pursue an initial teacher
37 certificate. The Washington professional educator standards board
38 must provide a grant sufficient to provide up to five thousand
39 dollars of financial assistance for up to twenty teacher candidates

1 in the 2019-20 school year and for up to thirty teacher candidates in
2 the 2020-21 school year.

3 (b) In piloting the program, the educational service district
4 must:

5 (i) Engage retired or practicing teachers and administrators who
6 are knowledgeable and experienced classroom teachers to inform the
7 development and curriculum of the program;

8 (ii) Provide extended support and mentoring through the first
9 three years of a teacher's career, using the components of the
10 beginning educator support team, under RCW 28A.415.265;

11 (iii) Support school districts in developing school staff and
12 community members to become teachers, so that the district's teachers
13 better reflect the region's demographics, values, and interests; and

14 (iv) Provide opportunities for classified staff to become
15 teachers.

16 (2) By November 1, 2024, the volunteer educational service
17 district must report to the Washington professional educator
18 standards board with the outcomes of the pilot and any
19 recommendations for implementing alternative route teacher
20 certification programs in other educational service districts. The
21 report must include the following data: (a) The number of teacher
22 candidates applying for, and completing, the alternative route
23 teacher certification program; (b) the number of program completers
24 who are hired as teachers, both in the educational service district
25 and elsewhere in the state; and (c) the retention of teachers in the
26 educational service district before and after implementation of the
27 pilot. The data must be disaggregated by race and ethnicity, gender,
28 type of endorsement, and school. The report must also include
29 feedback from school principals and teachers in the local school
30 districts on the quality of the teacher candidates they worked with
31 during the pilot.

32 (3) By December 1, 2024, and in compliance with RCW 43.01.036,
33 the Washington professional educator standards board must submit the
34 educational service district's report, required under subsection (2)
35 of this section, to the appropriate committees of the legislature,
36 with recommendations for whether the pilot program should be
37 expanded, modified, or terminated.

38 (4) This section expires August 1, 2025.

1 **PART II**

2 **FINANCIAL INCENTIVES, ASSISTANCE, AND SUPPORTS**

3 NEW SECTION. **Sec. 201.** FINDINGS—INTENT. (1) The legislature
4 finds that financial incentives, assistance, and supports are
5 essential to recruit and retain persons into educator positions
6 within the public common school system. In order to have the most
7 impact, these incentives, assistance, and supports must be related
8 explicitly and directly to the legislature's objectives for
9 recruiting and retaining an educator workforce that will best serve
10 diverse student populations, as well as meet the state's short-term
11 and long-term educator workforce needs.

12 (2) Therefore, the legislature intends to:

13 (a) Promote effective incentives, assistance, and supports;

14 (b) Remove barriers and disincentives; and

15 (c) Enhance and encourage capacity-building for and coordination
16 between educator preparation programs and the public common school
17 system, especially in underserved areas.

18 (3) The legislature finds that conditional scholarship and loan
19 repayment programs are effective tools to attract persons into the
20 profession of education and to encourage future teachers to seek
21 certifications in shortage areas. Therefore, the legislature intends
22 to utilize conditional scholarships to recruit candidates to meet
23 targeted needs in education and to assist with keeping new educators
24 in the profession during the early years of their career. The
25 legislature recognizes that the state need grant does not meet the
26 needs of many qualified students, so conditional scholarships are
27 intended to be provided in a "last dollar in" model. The legislature
28 also intends for loan repayment programs to help retain certificated
29 educators who are already working in the public common schools.

30 (4) The legislature finds that the location and characteristics
31 of a student teacher's field placement are strong predictors of where
32 the teacher takes his or her first job. Therefore, the legislature
33 intends to encourage the appropriate placement of student teachers,
34 especially in high-need subject and geographic areas. In addition,
35 the legislature intends to continue providing grants for student

21 met or exceeded. The (~~summative~~) performance ratings shall be as
22 follows: Level 1 - unsatisfactory; level 2 - basic; level 3 -
23 proficient; and level 4 - distinguished. A classroom teacher shall
24 receive one of the four (~~summative~~) performance ratings for each of
25 the minimum criteria in (b) of this subsection and one of the four
26 (~~summative~~) performance ratings for the evaluation as a whole,
27 which shall be the comprehensive (~~summative-evaluation~~) performance
28 rating. (~~By December 1, 2012,~~) The superintendent of public
29 instruction must adopt rules prescribing a common method for
30 calculating the comprehensive (~~summative-evaluation~~) performance
31 rating for each of the preferred instructional frameworks, including
32 for a focused performance evaluation under subsection (12) of this
33 section, giving appropriate weight to the indicators evaluated under
34 each criteria and maximizing rater agreement among the frameworks.

35 (d) (~~By December 1, 2012,~~) The superintendent of public
36 instruction shall adopt rules that provide descriptors for each of
37 the (~~summative~~) performance ratings (~~, based on the development~~
38 ~~work of pilot school districts under subsection (7) of this section.~~
39 ~~Any subsequent changes to the descriptors by the superintendent may~~
40 ~~only be~~) with updates to the rules made following consultation with

1 ((a group broadly reflective of the parties represented)) the
2 steering committee described in subsection (7)(a)(i) of this section.

3 (e) ((By September 1, 2012,)) The superintendent of public
4 instruction shall identify up to three preferred instructional
5 frameworks that support the ((revised)) four-level rating evaluation
6 system. The instructional frameworks shall be research-based and
7 establish definitions or rubrics for each of the four ((summative))
8 performance ratings for each evaluation criteria. Each school
9 district must adopt one of the preferred instructional frameworks and
10 post the selection on the district's web site. The superintendent of
11 public instruction shall establish a process for approving minor
12 modifications or adaptations to a preferred instructional framework
13 that may be proposed by a school district.

14 (f) Student growth data that is relevant to the teacher and
15 subject matter must be a factor in the evaluation process and must be
16 based on multiple measures that can include classroom-based, school-
17 based, district-based, and state-based tools. Student growth data
18 elements may include the teacher's performance as a member of a
19 grade-level, subject matter, or other instructional team within a
20 school when the use of this data is relevant and appropriate. Student
21 growth data elements may also include the teacher's performance as a
22 member of the overall instructional team of a school when use of this
23 data is relevant and appropriate. As used in this subsection,
24 "student growth" means the change in student achievement between two
25 points in time.

26 (g) Student input may also be included in the evaluation process.

27 (3)(a) Except as provided in subsection (11) of this section, it
28 shall be the responsibility of a principal or his or her designee to
29 evaluate all certificated personnel in his or her school. During each
30 school year all classroom teachers and certificated support personnel
31 shall be observed for the purposes of evaluation at least twice in
32 the performance of their assigned duties. Total observation time for
33 each employee for each school year shall be not less than sixty
34 minutes. An employee in the third year of provisional status as
35 defined in RCW 28A.405.220 shall be observed at least three times in
36 the performance of his or her duties and the total observation time
37 for the school year shall not be less than ninety minutes. Following
38 each observation, or series of observations, the principal or other
39 evaluator shall promptly document the results of the observation in
40 writing, and shall provide the employee with a copy thereof within

1 three days after such report is prepared. New employees shall be
2 observed at least once for a total observation time of thirty minutes
3 during the first ninety calendar days of their employment period.

4 (b) As used in this subsection and subsection (4) of this
5 section, "employees" means classroom teachers and certificated
6 support personnel except where otherwise specified.

7 (4) (a) At any time after October 15th, an employee whose work is
8 not judged satisfactory based on district evaluation criteria shall
9 be notified in writing of the specific areas of deficiencies along
10 with a reasonable program for improvement. For classroom teachers who
11 ~~((have been transitioned to the revised evaluation system pursuant to
12 the district implementation schedule adopted under subsection (7) (c)
13 of this section))~~ are required to be on the four-level rating
14 evaluation system, the following comprehensive ~~((summative
15 evaluation))~~ performance ratings based on the evaluation criteria in
16 subsection (2) (b) of this section mean a classroom teacher's work is
17 not judged satisfactory:

18 (i) Level 1; or

19 (ii) Level 2 if the classroom teacher is a continuing contract
20 employee under RCW 28A.405.210 with more than five years of teaching
21 experience and if the level 2 comprehensive ~~((summative evaluation))~~
22 performance rating has been received for two consecutive years or for
23 two years within a consecutive three-year time period.

24 (b) During the period of probation, the employee may not be
25 transferred from the supervision of the original evaluator.
26 Improvement of performance or probable cause for nonrenewal must
27 occur and be documented by the original evaluator before any
28 consideration of a request for transfer or reassignment as
29 contemplated by either the individual or the school district. A
30 probationary period of sixty school days shall be established. Days
31 may be added if deemed necessary to complete a program for
32 improvement and evaluate the probationer's performance, as long as
33 the probationary period is concluded before May 15th of the same
34 school year. The probationary period may be extended into the
35 following school year if the probationer has five or more years of
36 teaching experience and has a comprehensive ~~((summative evaluation))~~
37 performance rating as of May 15th of less than level 2. The
38 establishment of a probationary period does not adversely affect the
39 contract status of an employee within the meaning of RCW 28A.405.300.
40 The purpose of the probationary period is to give the employee

1 opportunity to demonstrate improvements in his or her areas of
2 deficiency. The establishment of the probationary period and the
3 giving of the notice to the employee of deficiency shall be by the
4 school district superintendent and need not be submitted to the board
5 of directors for approval. During the probationary period the
6 evaluator shall meet with the employee at least twice monthly to
7 supervise and make a written evaluation of the progress, if any, made
8 by the employee. The evaluator may authorize one additional
9 certificated employee to evaluate the probationer and to aid the
10 employee in improving his or her areas of deficiency. Should the
11 evaluator not authorize such additional evaluator, the probationer
12 may request that an additional certificated employee evaluator become
13 part of the probationary process and this request must be implemented
14 by including an additional experienced evaluator assigned by the
15 educational service district in which the school district is located
16 and selected from a list of evaluation specialists compiled by the
17 educational service district. Such additional certificated employee
18 shall be immune from any civil liability that might otherwise be
19 incurred or imposed with regard to the good faith performance of such
20 evaluation. If a procedural error occurs in the implementation of a
21 program for improvement, the error does not invalidate the
22 probationer's plan for improvement or evaluation activities unless
23 the error materially affects the effectiveness of the plan or the
24 ability to evaluate the probationer's performance. The probationer
25 must be removed from probation if he or she has demonstrated
26 improvement to the satisfaction of the evaluator in those areas
27 specifically detailed in his or her initial notice of deficiency and
28 subsequently detailed in his or her program for improvement. A
29 classroom teacher who (~~has been transitioned to the revised~~
30 ~~evaluation system pursuant to the district implementation schedule~~
31 ~~adopted under subsection (7)(c) of this section)) is required to be
32 on the four-level rating evaluation system must be removed from
33 probation if he or she has demonstrated improvement that results in a
34 new comprehensive (~~summative evaluation~~) performance rating of
35 level 2 or above for a provisional employee or a continuing contract
36 employee with five or fewer years of experience, or of level 3 or
37 above for a continuing contract employee with more than five years of
38 experience. Lack of necessary improvement during the established
39 probationary period, as specifically documented in writing with~~

1 notification to the probationer constitutes grounds for a finding of
2 probable cause under RCW 28A.405.300 or 28A.405.210.

3 (c) When a continuing contract employee with five or more years
4 of experience receives a comprehensive (~~summative~~ evaluation)
5 performance rating below level 2 for two consecutive years, the
6 school district shall, within ten days of the completion of the
7 second (~~summative~~) comprehensive (~~comprehensive~~ summative)
8 performance evaluation or May 15th, whichever occurs first, implement
9 the employee notification of discharge as provided in RCW
10 28A.405.300.

11 (d) Immediately following the completion of a probationary period
12 that does not produce performance changes detailed in the initial
13 notice of deficiencies and program for improvement, the employee may
14 be removed from his or her assignment and placed into an alternative
15 assignment for the remainder of the school year. In the case of a
16 classroom teacher who (~~has been transitioned to the revised~~
17 ~~evaluation system pursuant to the district implementation schedule~~
18 ~~adopted under subsection (7)(c) of this section~~) is required to be
19 on the four-level rating evaluation system, the teacher may be
20 removed from his or her assignment and placed into an alternative
21 assignment for the remainder of the school year immediately following
22 the completion of a probationary period that does not result in the
23 required comprehensive (~~summative~~ evaluation) performance ratings
24 specified in (b) of this subsection. This reassignment may not
25 displace another employee nor may it adversely affect the
26 probationary employee's compensation or benefits for the remainder of
27 the employee's contract year. If such reassignment is not possible,
28 the district may, at its option, place the employee on paid leave for
29 the balance of the contract term.

30 (5) Every board of directors shall establish evaluative criteria
31 and procedures for all superintendents, principals, and other
32 administrators. It shall be the responsibility of the district
33 superintendent or his or her designee to evaluate all administrators.
34 Except as provided in subsection (6) of this section, such evaluation
35 shall be based on the administrative position job description. Such
36 criteria, when applicable, shall include at least the following
37 categories: Knowledge of, experience in, and training in recognizing
38 good professional performance, capabilities and development; school
39 administration and management; school finance; professional
40 preparation and scholarship; effort toward improvement when needed;

1 interest in pupils, employees, patrons and subjects taught in school;
2 leadership; and ability and performance of evaluation of school
3 personnel.

4 (6) (a) ~~((Pursuant to the implementation schedule established by~~
5 ~~subsection (7) (b) of this section,))~~ Every board of directors shall
6 establish ~~((revised))~~ evaluative criteria and a four-level rating
7 system for principals.

8 (b) The minimum criteria shall include: (i) Creating a school
9 culture that promotes the ongoing improvement of learning and
10 teaching for students and staff; (ii) demonstrating commitment to
11 closing the achievement gap; (iii) providing for school safety; (iv)
12 leading the development, implementation, and evaluation of a data-
13 driven plan for increasing student achievement, including the use of
14 multiple student data elements; (v) assisting instructional staff
15 with alignment of curriculum, instruction, and assessment with state
16 and local district learning goals; (vi) monitoring, assisting, and
17 evaluating effective instruction and assessment practices; (vii)
18 managing both staff and fiscal resources to support student
19 achievement and legal responsibilities; and (viii) partnering with
20 the school community to promote student learning. Student growth data
21 must be a substantial factor in evaluating the ~~((summative))~~
22 performance of the principal for at least three of the evaluation
23 criteria listed in this subsection.

24 (c) The four-level rating system used to evaluate the principal
25 must describe performance along a continuum that indicates the extent
26 to which the criteria have been met or exceeded. The ~~((summative))~~
27 performance ratings shall be as follows: Level 1 - unsatisfactory;
28 level 2 - basic; level 3 - proficient; and level 4 - distinguished. A
29 principal shall receive one of the four ~~((summative))~~ performance
30 ratings for each of the minimum criteria in (b) of this subsection
31 and one of the four ~~((summative))~~ performance ratings for the
32 evaluation as a whole, which shall be the comprehensive ~~((summative~~
33 ~~evaluation))~~ performance rating.

34 (d) ~~((By December 1, 2012,))~~ The superintendent of public
35 instruction shall adopt rules that provide descriptors for each of
36 the ~~((summative))~~ performance ratings, ~~((based on the development~~
37 ~~work of pilot school districts under subsection (7) of this section.~~
38 ~~Any subsequent changes to the descriptors by the superintendent may~~
39 ~~only be))~~ with updates to the rules made following consultation with

1 ~~((a group broadly reflective of the parties represented))~~ the
2 steering committee described in subsection (7) (a) (i) of this section.

3 (e) ~~((By September 1, 2012,))~~ The superintendent of public
4 instruction shall identify up to three preferred leadership
5 frameworks that support the ~~((revised))~~ four-level rating evaluation
6 system. The leadership frameworks shall be research-based and
7 establish definitions or rubrics for each of the four performance
8 ratings for each evaluation criteria. Each school district shall
9 adopt one of the preferred leadership frameworks and post the
10 selection on the district's web site. The superintendent of public
11 instruction shall establish a process for approving minor
12 modifications or adaptations to a preferred leadership framework that
13 may be proposed by a school district.

14 (f) Student growth data that is relevant to the principal must be
15 a factor in the evaluation process and must be based on multiple
16 measures that can include classroom-based, school-based, district-
17 based, and state-based tools. As used in this subsection, "student
18 growth" means the change in student achievement between two points in
19 time.

20 (g) Input from building staff may also be included in the
21 evaluation process.

22 (h) ~~((For principals who have been transitioned to the revised
23 evaluation system pursuant to the district implementation schedule
24 adopted under subsection (7) (c) of this section,))~~ The following
25 comprehensive ~~((summative evaluation))~~ performance ratings mean a
26 principal's work is not judged satisfactory:

27 (i) Level 1; or

28 (ii) Level 2 if the principal has more than five years of
29 experience in the principal role and if the level 2 comprehensive
30 ~~((summative evaluation))~~ performance rating has been received for two
31 consecutive years or for two years within a consecutive three-year
32 time period.

33 (7) (a) ~~((The superintendent of public instruction, in
34 collaboration with state associations representing teachers,
35 principals, administrators, school board members, and parents, to be
36 known as the steering committee, shall create models for implementing
37 the evaluation system criteria, student growth tools, professional
38 development programs, and evaluator training for certificated
39 classroom teachers and principals. Human resources specialists,
40 professional development experts, and assessment experts must also be~~

1 consulted. Due to the diversity of teaching assignments and the many
2 developmental levels of students, classroom teachers and principals
3 must be prominently represented in this work. The models must be
4 available for use in the 2011-12 school year.

5 (b) A new certificated classroom teacher evaluation system that
6 implements the provisions of subsection (2) of this section and a new
7 principal evaluation system that implements the provisions of
8 subsection (6) of this section shall be phased in beginning with the
9 2010-11 school year by districts identified in (d) of this subsection
10 and implemented in all school districts beginning with the 2013-14
11 school year.

12 (c) Each school district board of directors shall adopt a
13 schedule for implementation of the revised evaluation systems that
14 transitions a portion of classroom teachers and principals in the
15 district to the revised evaluation systems each year beginning no
16 later than the 2013-14 school year, until all classroom teachers and
17 principals are being evaluated under the revised evaluation systems
18 no later than the 2015-16 school year. A school district is not
19 precluded from completing the transition of all classroom teachers
20 and principals to the revised evaluation systems before the 2015-16
21 school year. The schedule adopted under this subsection (7)(c) must
22 provide that the following employees are transitioned to the revised
23 evaluation systems beginning in the 2013-14 school year:

24 (i) Classroom teachers who are provisional employees under RCW
25 28A.405.220;

26 (ii) Classroom teachers who are on probation under subsection (4)
27 of this section;

28 (iii) Principals in the first three consecutive school years of
29 employment as a principal;

30 (iv) Principals whose work is not judged satisfactory in their
31 most recent evaluation; and

32 (v) Principals previously employed as a principal by another
33 school district in the state of Washington for three or more
34 consecutive school years and in the first full year as a principal in
35 the school district.

36 (d) A set of school districts shall be selected by the
37 superintendent of public instruction to participate in a
38 collaborative process resulting in the development and piloting of
39 new certificated classroom teacher and principal evaluation systems
40 during the 2010-11 and 2011-12 school years. These school districts

1 must be selected based on: (i) The agreement of the local
2 associations representing classroom teachers and principals to
3 collaborate with the district in this developmental work and (ii) the
4 agreement to participate in the full range of development and
5 implementation activities, including: Development of rubrics for the
6 evaluation criteria and ratings in subsections (2) and (6) of this
7 section; identification of or development of appropriate multiple
8 measures of student growth in subsections (2) and (6) of this
9 section; development of appropriate evaluation system forms;
10 participation in professional development for principals and
11 classroom teachers regarding the content of the new evaluation
12 system; participation in evaluator training; and participation in
13 activities to evaluate the effectiveness of the new systems and
14 support programs. The school districts must submit to the office of
15 the superintendent of public instruction data that is used in
16 evaluations and all district-collected student achievement, aptitude,
17 and growth data regardless of whether the data is used in
18 evaluations. If the data is not available electronically, the
19 district may submit it in nonelectronic form. The superintendent of
20 public instruction must analyze the districts' use of student data in
21 evaluations, including examining the extent that student data is not
22 used or is underutilized. The superintendent of public instruction
23 must also consult with participating districts and stakeholders,
24 recommend appropriate changes, and address statewide implementation
25 issues. The superintendent of public instruction shall report
26 evaluation system implementation status, evaluation data, and
27 recommendations to appropriate committees of the legislature and
28 governor by July 1, 2011, and at the conclusion of the development
29 phase by July 1, 2012. In the July 1, 2011, report, the
30 superintendent shall include recommendations for whether a single
31 statewide evaluation model should be adopted, whether modified
32 versions developed by school districts should be subject to state
33 approval, and what the criteria would be for determining if a school
34 district's evaluation model meets or exceeds a statewide model. The
35 report shall also identify challenges posed by requiring a state
36 approval process.

37 (e) (i) The steering committee in subsection (7) (a) of this
38 section and the pilot school districts in subsection (7) (d) of this
39 section shall continue to examine implementation issues and refine
40 tools for the new certificated classroom teacher evaluation system in

1 subsection (2) of this section and the new principal evaluation
2 system in subsection (6) of this section during the 2013-14 through
3 2015-16 implementation phase.

4 (ii) Particular attention shall be given to the following issues:

5 (A) Developing a report for the legislature and governor, due by
6 December 1, 2013, of best practices and recommendations regarding how
7 teacher and principal evaluations and other appropriate elements
8 shall inform school district human resource and personnel practices.
9 The legislature and governor are provided the opportunity to review
10 the report and recommendations during the 2014 legislative session;

11 (B) Taking the new teacher and principal evaluation systems to
12 scale and the use of best practices for statewide implementation;

13 (C) Providing guidance regarding the use of student growth data
14 to assure it is used responsibly and with integrity;

15 (D) Refining evaluation system management tools, professional
16 development programs, and evaluator training programs with an
17 emphasis on developing rater reliability;

18 (E) Reviewing emerging research regarding teacher and principal
19 evaluation systems and the development and implementation of
20 evaluation systems in other states;

21 (F) Reviewing the impact that variable demographic
22 characteristics of students and schools have on the objectivity,
23 reliability, validity, and availability of student growth data; and

24 (G) Developing recommendations regarding how teacher evaluations
25 could inform state policies regarding the criteria for a teacher to
26 obtain continuing contract status under RCW 28A.405.210. In
27 developing these recommendations the experiences of school districts
28 and teachers during the evaluation transition phase must be
29 considered. Recommendations must be reported by July 1, 2016, to the
30 legislature and the governor.

31 (iii) To support the tasks in (e)(ii) of this subsection, the
32 superintendent of public instruction may contract with an independent
33 research organization with expertise in educator evaluations and
34 knowledge of the revised evaluation systems being implemented under
35 this section.

36 (iv)) (i) The steering committee is composed of the following
37 participants: State associations representing teachers, principals,
38 administrators, school board members, and parents.

39 (ii) The superintendent of public instruction, in collaboration
40 with the steering committee, shall periodically examine

1 implementation issues and refine tools for the teacher and principal
2 four-level rating evaluation systems, including professional learning
3 that addresses issues of equity through the lens of the selected
4 instructional and leadership frameworks.

5 (b) The superintendent of public instruction shall monitor the
6 statewide implementation of (~~revised~~) teacher and principal four-
7 level rating evaluation systems using data reported under RCW
8 28A.150.230 as well as periodic input from focus groups of
9 administrators, principals, and teachers.

10 (~~(v) The superintendent of public instruction shall submit~~
11 ~~reports detailing findings, emergent issues or trends,~~
12 ~~recommendations from the steering committee, and pilot school~~
13 ~~districts, and other recommendations, to enhance implementation and~~
14 ~~continuous improvement of the revised evaluation systems to~~
15 ~~appropriate committees of the legislature and the governor beginning~~
16 ~~July 1, 2013, and each July 1st thereafter for each year of the~~
17 ~~school district implementation transition period concluding with a~~
18 ~~report on December 1, 2016.))~~

19 (8) (a) Beginning with the 2015-16 school year, evaluation results
20 for certificated classroom teachers and principals must be used as
21 one of multiple factors in making human resource and personnel
22 decisions. Human resource decisions include, but are not limited to:
23 Staff assignment, including the consideration of an agreement to an
24 assignment by an appropriate teacher, principal, and superintendent;
25 and reduction in force. Nothing in this section limits the ability to
26 collectively bargain how the multiple factors shall be used in making
27 human resource or personnel decisions, with the exception that
28 evaluation results must be a factor.

29 (b) The office of the superintendent of public instruction must,
30 in accordance with RCW 43.01.036, report to the legislature and the
31 governor regarding the school district implementation of the
32 provisions of (a) of this subsection by December 1, (~~2017~~) 2019,
33 and December 1, 2020.

34 (9) Each certificated classroom teacher and certificated support
35 personnel shall have the opportunity for confidential conferences
36 with his or her immediate supervisor on no less than two occasions in
37 each school year. Such confidential conference shall have as its sole
38 purpose the aiding of the administrator in his or her assessment of
39 the employee's professional performance.

1 (10) The failure of any evaluator to evaluate or supervise or
2 cause the evaluation or supervision of certificated classroom
3 teachers and certificated support personnel or administrators in
4 accordance with this section, as now or hereafter amended, when it is
5 his or her specific assigned or delegated responsibility to do so,
6 shall be sufficient cause for the nonrenewal of any such evaluator's
7 contract under RCW 28A.405.210, or the discharge of such evaluator
8 under RCW 28A.405.300.

9 (11) After a certificated classroom teacher (~~(or)~~) who is not
10 required to be on the four-level rating evaluation system or a
11 certificated support personnel has four years of satisfactory
12 evaluations under subsection (1) of this section, a school district
13 may use a short form of evaluation, a locally bargained evaluation
14 emphasizing professional growth, an evaluation under subsection (1)
15 or (2) of this section, or any combination thereof. The short form of
16 evaluation shall include either a thirty minute observation during
17 the school year with a written summary or a final annual written
18 evaluation based on the criteria in subsection (1) or (2) of this
19 section and based on at least two observation periods during the
20 school year totaling at least sixty minutes without a written summary
21 of such observations being prepared. A locally bargained short-form
22 evaluation emphasizing professional growth must provide that the
23 professional growth activity conducted by the certificated classroom
24 teacher be specifically linked to one or more of the certificated
25 classroom teacher evaluation criteria. However, the evaluation
26 process set forth in subsection (1) or (2) of this section shall be
27 followed at least once every three years unless this time is extended
28 by a local school district under the bargaining process set forth in
29 chapter 41.59 RCW. The employee or evaluator may require that the
30 evaluation process set forth in subsection (1) or (2) of this section
31 be conducted in any given school year. No evaluation other than the
32 evaluation authorized under subsection (1) or (2) of this section may
33 be used as a basis for determining that an employee's work is not
34 satisfactory under subsection (1) or (2) of this section or as
35 probable cause for the nonrenewal of an employee's contract under RCW
36 28A.405.210 unless an evaluation process developed under chapter
37 41.59 RCW determines otherwise. (~~The provisions of this subsection~~
38 ~~apply to certificated classroom teachers only until the teacher has~~
39 ~~been transitioned to the revised evaluation system pursuant to the~~

1 ~~district implementation schedule adopted under subsection (7)(c) of~~
2 ~~this section.)~~

3 (12) ~~((All))~~ Certificated classroom teachers and principals who
4 ~~((have been transitioned to the revised evaluation systems pursuant~~
5 ~~to the district implementation schedule adopted under subsection~~
6 ~~(7)(c) of this section))~~ are required to be on the four-level rating
7 evaluation system must receive annual performance evaluations as
8 provided in this subsection ~~((+))~~ (12).

9 (a) ~~((All classroom teachers and principals shall receive a~~
10 ~~comprehensive summative evaluation at least once every four years.))~~
11 A comprehensive ~~((summative))~~ performance evaluation assesses all
12 eight evaluation criteria and all criteria contribute to the
13 comprehensive ~~((summative evaluation))~~ performance rating. Classroom
14 teachers and principals must receive a comprehensive performance
15 evaluation according to the schedule specified in (b) of this
16 subsection.

17 (b)(i) Except as otherwise provided in this subsection (12)(b),
18 classroom teachers and principals must receive a comprehensive
19 performance evaluation at least once every six years.

20 ~~((b))~~ (ii) The following ~~((categories))~~ types of classroom
21 teachers and principals ~~((shall))~~ must receive an annual
22 comprehensive ~~((summative))~~ performance evaluation:

23 ~~((i))~~ (A) A classroom teacher ~~((s))~~ who ~~((are))~~ is a provisional
24 employee ~~((s))~~ under RCW 28A.405.220;

25 ~~((ii))~~ (B) A principal ~~((s))~~ in the first three consecutive
26 school years of employment as a principal;

27 ~~((iii))~~ (C) A principal ~~((s))~~ previously employed as a principal
