
HOUSE BILL 1950

State of Washington

66th Legislature

2019 Regular Session

By Representatives Hansen, Springer, Stanford, Valdez, Thai, Bergquist, and Pollet

Read first time 02/07/19. Referred to Committee on College & Workforce Development.

1 AN ACT Relating to the Washington free to finish college program;
2 amending RCW 28B.76.540; adding a new chapter to Title 28B RCW;
3 creating a new section; and providing an expiration date.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** The legislature finds that there are often
6 many barriers for students wanting to pursue higher education, such
7 as cost, competing commitments, and remedial needs. The legislature
8 also recognizes that in order to meet the state's educational
9 attainment goal of having at least seventy percent of Washington
10 adults obtain a postsecondary credential by 2023, more needs to be
11 done to encourage all types of Washingtonians to pursue higher
12 education. In addition to encouraging recent high school graduates to
13 attend a postsecondary institution, the legislature recognizes that
14 untraditional students are an untapped resource to help fill skilled
15 workforce demands. The legislature finds that there are many older
16 adults who attended college, but did not earn a degree because they
17 withdrew a few credits short of completing their program. The
18 legislature finds that there are examples of programs, often referred
19 to as recapture programs, which use outreach and tuition assistance
20 to entice these adults to return to college to complete their degree.
21 An example of such a recapture program was Western Washington

1 University's destination graduation program. Destination graduation
2 helped two hundred twenty-nine students return to Western Washington
3 University and of those, one hundred eighty-one students graduated.
4 Therefore, it is the intent of the legislature to create a statewide
5 recapture program to remove the barriers to reenrollment so these
6 residents may return to college and complete a degree or certificate
7 program as they originally intended to do.

8 NEW SECTION. **Sec. 2.** The definitions in this section apply
9 throughout this chapter unless the context clearly requires
10 otherwise.
