
HOUSE BILL 2083

State of Washington

66th Legislature

2019 Regular Session

By Representatives Davis, Frame, and Leavitt; by request of Attorney General

Read first time 02/18/19. Referred to Committee on Appropriations.

1 AN ACT Relating to the budgeting process for core state services
2 for children; amending RCW 43.88C.010 and 43.88.058; and creating a
3 new section.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** The legislature finds that effective
6 planning for and implementation of core state services for children
7 require adequate funding for legal services for agency and parents'
8 counsel, and stability in the budgeting process for these services.
9 For this reason, the legislature intends that costs for legal
10 services for counsel for the department of children, youth, and
11 families and counsel for parents to prepare for and participate in
12 all stages of foster care-related legal proceedings be included in
13 the state budgeting process at maintenance level. By implementing
14 consistent statewide assessments, forecasting legal services
15 caseloads, and incorporating forecast-based legal services costs into
16 the maintenance level budget, the state can ensure predictable
17 funding levels and effective legal services, and that reasonable
18 efforts are made to prevent removal of children and finalize their
19 permanent plans.

1 **Sec. 2.** RCW 43.88C.010 and 2018 c 208 s 4 are each amended to
2 read as follows:

3 (1) The caseload forecast council is hereby created. The council
4 shall consist of two individuals appointed by the governor and four
5 individuals, one of whom is appointed by the chairperson of each of
6 the two largest political caucuses in the senate and house of
7 representatives. The chair of the council shall be selected from
8 among the four caucus appointees. The council may select such other
9 officers as the members deem necessary.

10 (2) The council shall employ a caseload forecast supervisor to
11 supervise the preparation of all caseload forecasts. As used in this
12 chapter, "supervisor" means the caseload forecast supervisor.

13 (3) Approval by an affirmative vote of at least five members of
14 the council is required for any decisions regarding employment of the
15 supervisor. Employment of the supervisor shall terminate after each
16 term of three years. At the end of the first year of each three-year
17 term the council shall consider extension of the supervisor's term by
18 one year. The council may fix the compensation of the supervisor. The
19 supervisor shall employ staff sufficient to accomplish the purposes
20 of this section.

21 (4) The caseload forecast council shall oversee the preparation
22 of and approve, by an affirmative vote of at least four members, the
23 official state caseload forecasts prepared under RCW 43.88C.020. If
24 the council is unable to approve a forecast before a date required in
25 RCW 43.88C.020, the supervisor shall submit the forecast without
26 approval and the forecast shall have the same effect as if approved
27 by the council.

28 (5) A councilmember who does not cast an affirmative vote for
29 approval of the official caseload forecast may request, and the
30 supervisor shall provide, an alternative forecast based on
31 assumptions specified by the member.

32 (6) Members of the caseload forecast council shall serve without
33 additional compensation but shall be reimbursed for travel expenses
34 in accordance with RCW 44.04.120 while attending sessions of the
35 council or on official business authorized by the council.

37 expenses in accordance with RCW 43.03.050 and 43.03.060.

9 43.216.505, to participate in, and the number of children actually
10 served by, the early childhood education and assistance program.

11 (8) The caseload forecast council shall forecast the temporary
12 assistance for needy families and the working connections child care
13 programs as a courtesy.

14 (9) The caseload forecast council shall forecast youth
15 participating in the extended foster care program pursuant to RCW
16 74.13.031 separately from other children who are residing in foster
