
SUBSTITUTE HOUSE BILL 2880

State of Washington

66th Legislature

2020 Regular Session

By House Finance (originally sponsored by Representatives Dent, Chandler, and Barkis)

READ FIRST TIME 02/11/20.

1 AN ACT Relating to sales and use tax exemptions for aircraft fuel
2 used for research and development purposes; adding a new section to
3 chapter 82.08 RCW; adding a new section to chapter 82.12 RCW;
4 creating a new section; providing an effective date; and providing
5 expiration dates.

6 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

7 NEW SECTION. **Sec. 1.** A new section is added to chapter 82.08
8 RCW to read as follows:

9 (1) A taxpayer who has paid the tax levied by RCW 82.08.020 on
10 aircraft fuel used in the operation of an aircraft for research and
11 development purposes, related to the aircraft or components thereof,
12 and meets the criteria of this section, is eligible for an exemption
13 in the form of a remittance.

14 (2) To be eligible for an exemption under the provisions of this
15 section:

16 (a)(i) In cases of an initial request, a taxpayer must, in the
17 twelve months preceding the date of the request, hire and retain at
18 least twenty new full-time equivalent employees whose primary duties
19 are related to the research and development for which the exemption
20 is made; or

1 (ii) For requests made in subsequent years, a taxpayer must
2 continue to retain the minimum of twenty full-time equivalent
3 employees as required in (a)(i) of this subsection.

4 (b) The research and development must be conducted as part of a
5 test flight program that uses testbed aircraft to test new aircraft
6 engine designs that advance the use of new technologies or new clean
7 fuels in the aerospace sector of the state.

8 (c) The research and development must be conducted within the
9 state.

10 (3) Any taxpayer claiming exemption from retail sales tax under
11 the provisions of this section must pay the state and local sales tax
12 to the seller at the time of purchase and then request a remittance
13 from the department in accordance with this subsection and subsection
14 (4) of this section. The request for a remittance must include any
15 information and documentation as required by the department, which
16 may include the sales price and amount of aircraft fuel purchased,
17 the amount of sales tax paid on the item, the date of the purchase,
18 the name of the seller and the physical address where the sale took
19 place, and copies of sales receipts showing the qualified purchases.

20 (4) A taxpayer may file no more than one request for remittance
21 per calendar year, except to amend a request.

22 (5) The exemption provided by this section is only for the state
23 portion of the sales tax. For purposes of this section, the state
24 portion of the sales tax is not reduced by any local sales tax that
25 is deducted or credited against the state sales tax as provided by
26 law.

27 (6) A taxpayer may not make a request for remittance under the
28 provisions of this section prior to twelve months from the effective
29 date of this section.

30 (7) The definitions in this subsection apply throughout this
31 section unless the context clearly requires otherwise.

32 (a) "Aircraft" is defined as provided in RCW 82.42.010.

33 (b) "Aircraft fuel" is defined as provided in RCW 82.42.010.

34 (c) "Research and development" means any activity performed to
35 discover technological information, and technical and nonroutine
36 activities concerned with translating technological information into
37 new or improved products, processes, techniques, formulas,
38 inventions, or software.

39 (d) "Retain" means to continue to employ an individual or, in
40 cases where an employee has been terminated, resigned, or is

1 otherwise no longer employed, "retain" means to actively seek new
2 candidates for the vacant position.

3 (e) "Testbed aircraft" means an aircraft that has been
4 specifically designed or modified to be used for research and
5 development purposes as part of a test flight program.

6 (8) This section expires January 1, 2032.

7 NEW SECTION. **Sec. 2.** A new section is added to chapter 82.12
8 RCW to read as follows:

9 (1) A taxpayer who has paid the tax levied by RCW 82.12.020 on
10 aircraft fuel used in the operation of an aircraft for research and
11 development purposes, related to the aircraft or components thereof,
12 and meets the criteria in subsection (2) of this section, is eligible
13 for an exemption in the form of a remittance.

14 (2) All of the eligibility requirements, conditions, limitations,
15 and definitions in section 1 of this act apply to this section.

16 (3) This section expires January 1, 2032.

17 NEW SECTION. **Sec. 3.** (1) This section is the tax preference
18 performance statement for the tax preferences contained in sections 1
19 and 2, chapter . . ., Laws of 2020 (sections 1 and 2 of this act).
20 This performance statement is only intended to be used for subsequent
21 evaluation of the tax preferences. It is not intended to create a
22 private right of action by any party or to be used to determine
23 eligibility for preferential tax treatment.

24 (2) The legislature categorizes these tax preferences as ones
25 intended to create or retain jobs as indicated in RCW 82.32.808
26 (2)(c).

27 (3) It is the legislature's specific public policy objective to
28 encourage new business activity in the field of aerospace to locate
29 in the state.

30 (4) If a review finds that at least twenty jobs are created as a
31 result of the preferences, then the legislature intends to extend the
32 expiration dates of these tax preferences.

33 (5) In order to obtain the data necessary to perform the review
34 in subsection (4) of this section, the joint legislative audit and
35 review committee may refer to any data collected by the state.

1 NEW SECTION. **Sec. 4.** This act takes effect July 1, 2021.
