4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 **Sec. 1.** RCW 18.92.260 and 2002 c 157 s 2 are each amended to  
6 read as follows:

7 (1)(a) Subject to the limitations in this section, animal care  
8 and control agencies as defined in RCW 16.52.011 and nonprofit humane  
9 societies, that have qualified under section 501(c)(3) of the  
10 internal revenue code may provide (~~limited~~) veterinary services to  
11 animals owned by qualified low-income households. (~~The veterinary  
12 services provided shall be limited to electronic identification,  
13 surgical sterilization, and vaccinations.~~) A veterinarian or  
14 veterinary technician acting within his or her scope of practice must  
15 perform the (~~limited~~) veterinary services. For purposes of this  
16 section, "low-income household" means the same as in RCW 43.185A.010.

17 (b) Animal control agencies and nonprofit humane societies,  
18 receiving any animals on an emergency basis, may provide emergency  
19 care (~~(, subject to a local ordinance that defines an emergency  
20 situation and establishes temporary time limits)~~) where there is an  
21 unexpected, serious occurrence or situation that urgently requires

1 prompt action in order to prevent an animal's death or permanent  
2 injury of the animal.

3 (c) Animal control agencies and nonprofit humane societies may  
4 provide veterinary care for sick animals up to thirty days  
5 postadoption.

6 (d) Any local ordinance addressing the needs under this section  
7 that was approved by the voters and is in effect on July 1, 2003,  
8 remains in effect.

9 (2) Veterinarians and veterinary technicians employed at these  
10 facilities must be licensed under this chapter. No officer, director,  
11 supervisor, or any other individual associated with an animal care or  
12 control agency or nonprofit humane society owning and operating a  
13 veterinary medical facility may impose any terms or conditions of  
14 employment or direct or attempt to direct an employed veterinarian in  
15 any way that interferes with the free exercise of the veterinarian's  
16 professional judgment or infringes upon the utilization of his or her  
17 professional skills.

18 (3) Veterinarians, veterinary technicians, veterinary medication  
19 clerks, and animal control agencies and humane societies acting under  
20 this section shall, for purposes of providing the ((limited))  
21 veterinary services, meet the requirements established under this  
22 chapter and are subject to the rules adopted by the veterinary board  
23 of governors in the same fashion as any licensed veterinarian or

30 reporting requirements that demonstrate the animal care and control  
31 facilities and nonprofit humane societies are serving only low-income  
32 households as defined in RCW 43.185A.010; and

33 (c) Ensure that agencies and societies are in compliance with  
34 this section.

35 (5) The ((limited)) veterinary medical service authority granted  
36 by registration under this section may be denied, suspended, revoked,  
37 or conditioned by a determination of the board of governors for any  
38 act of noncompliance with this chapter. The uniform disciplinary act,  
39 chapter 18.130 RCW, governs unregistered operation, the issuance and

1 denial of registrations, and the discipline of registrants under this  
2 section.

3 (6) No animal control agency or humane society may operate under  
4 this chapter without registering with the department. An application  
5 for registration shall be made upon forms provided by the department  
6 and shall include the information the department reasonably requires,  
7 as provided by RCW 43.70.280. The department shall establish
