33 (1) (~~(After June 30, 1992,)~~) Any person who performs the

35 being licensed in accordance with the provisions of this chapter, or  
36 any person presenting or attempting to use as his or her own the  
37 license of another, or any person who gives false or forged evidence

1 falsely impersonates any other licensee, or any person who attempts  
2 to use an expired or revoked license, or any person who violates any  
3 of the provisions of this chapter is guilty of a gross misdemeanor.

35 NEW SECTION. **Sec. 4.** A new section is added to chapter 18.165

37 (1) A licensed private investigator agency may issue an employee

39 director, but only after the employee has completed preassignment

1 training and testing, and initiated a fingerprint-based background  
2 check. The employee's private investigator license application must  
3 be mailed to the department within three business days after issuance  
4 of the temporary registration card. The temporary registration card  
5 is valid for a maximum period of sixty days and does not authorize a  
6 person to carry firearms during the performance of his or her duties  
7 as a private investigator. The temporary registration card permits  
8 the applicant to perform the duties of a private investigator for the  
9 issuing licensed private investigator agency.

10 (2) Upon expiration of a temporary registration card or upon the  
11 receipt of a permanent license or notification from the department  
12 that a permanent license is being withheld from an applicant, the  
13 applicant shall surrender his or her temporary registration card to  
14 the licensing private investigator agency.

15 (3) The director may suspend the authority to use temporary  
16 registration cards for any private investigator agency that fails to  
17 comply with the provisions of this section. After a minimum of one  
18 year of suspension, the director may reinstate the agency's use of  
19 temporary registration cards after receipt of a written request from  
20 the agency.
