33 the state registrar if the state registrar does not appear at the
34 designated time and place set for hearing in the notice.

35 (6) The burden of proof is on the petitioner.

36 (7) If the court finds, by clear and convincing evidence, that

21 (2) A complete report of death must be filed with the local
22 registrar in the local health jurisdiction where the death occurred
23 for each death that occurs in this state. Except for circumstances
24 covered by subsection (7) of this section, the report must be filed
25 within five calendar days after the death or finding of human remains
26 and prior to final disposition of the human remains as required by

30 she does not know the information to be readily available through
31 other sources.

32 (2) (a) The county coroner, medical examiner, or prosecuting
33 attorney may withhold any information which directly or indirectly
34 identifies a decedent until either:

35 ~~((a))~~ (i) A notification period of forty-eight hours has
36 elapsed after identification of the decedent by such official; or

37 ~~((b))~~ (ii) The next of kin of the decedent has been notified.

1 **(b)** During the forty-eight hour notification period, such
2 official shall make a good faith attempt to locate and notify the
3 next of kin of the decedent.

4 **(3)** The county coroner, medical examiner, or prosecuting attorney
5 having jurisdiction may release information contained in a report of
6 death, as defined in chapter 70.--- RCW (the new chapter created in
7 section 44 of this act), to the media and general public.

8 **Sec. 38.** RCW 74.20A.056 and 2018 c 150 s 108 are each amended to
9 read as follows:

10 (1) If an alleged father has signed an affidavit acknowledging
11 paternity which has been filed with the state registrar of vital
12 statistics before July 1, 1997, the division of child support may
13 serve a notice and finding of parental responsibility on him and the
14 custodial parent. Procedures for and responsibility resulting from
15 acknowledgments filed after July 1, 1997, are in subsections (8) and
16 (9) of this section. Service of the notice shall be in the same
17 manner as a summons in a civil action or by certified mail, return
18 receipt requested, on the alleged father. The custodial parent shall
19 be served by first-class mail to the last known address. If the
20 custodial parent is not the nonassistance applicant or public
21 assistance recipient, service shall be in the same manner as for the
22 responsible parent. The notice shall have attached to it a copy of
23 the affidavit or certification of birth record information advising
24 of the existence of a filed affidavit, provided by the state
25 registrar of vital statistics, and shall state that:

26 (a) Either or both parents are responsible for providing health
27 care coverage for their child either through health insurance or
28 public health care coverage, which is accessible to the child, or
29 through coverage that if coverage that can be extended to cover the
30 child is or becomes available to the parent through employment or is
31 union-related, or for paying a monthly payment toward the premium if
32 no such coverage is available, as provided under RCW 26.09.105;

33 (b) The alleged father or custodial parent may file an
34 application for an adjudicative proceeding at which they both will be
35 required to appear and show cause why the amount stated in the notice
36 as to support is incorrect and should not be ordered;

37 (c) An alleged father or mother, if she is also the custodial
38 parent, may request that a blood or genetic test be administered to
39 determine whether such test would exclude him from being a natural

1 parent and, if not excluded, may subsequently request that the
2 division of child support initiate an action in superior court to
3 determine the existence of the parent-child relationship; and

4 (d) If neither the alleged father nor the custodial parent
5 requests that a blood or genetic test be administered or files an
6 application for an adjudicative proceeding, the amount of support
7 stated in the notice and finding of parental responsibility shall
8 become final, subject only to a subsequent determination under RCW
9 26.26.500 through 26.26.630 that the parent-child relationship does
10 not exist.

11 (2) An alleged father or custodial parent who objects to the
12 amount of support requested in the notice may file an application for
13 an adjudicative proceeding up to twenty days after the date the
14 notice was served. An application for an adjudicative proceeding may
15 be filed within one year of service of the notice and finding of
16 parental responsibility without the necessity for a showing of good
17 cause or upon a showing of good cause thereafter. An adjudicative
18 proceeding under this section shall be pursuant to RCW 74.20A.055.
19 The only issues shall be the amount of the accrued debt, the amount
20 of the current and future support obligation, and the reimbursement
21 of the costs of blood or genetic tests if advanced by the department.
22 A custodian who is not the parent of a child and who has physical
23 custody of a child has the same notice and hearing rights that a
24 custodial parent has under this section.

25 (3) If the application for an adjudicative proceeding is filed
26 within twenty days of service of the notice, collection action shall
27 be stayed pending a final decision by the department. If no
28 application is filed within twenty days:

29 (a) The amounts in the notice shall become final and the debt
30 created therein shall be subject to collection action; and

31 (b) Any amounts so collected shall neither be refunded nor
32 returned if the alleged father is later found not to be a responsible
33 parent.

34 (4) An alleged father or the mother, if she is also the custodial
35 parent, may request that a blood or genetic test be administered at
36 any time. The request for testing shall be in writing, or as the
37 department may specify by rule, and served on the division of child
38 support. If a request for testing is made, the department shall
39 arrange for the test and, pursuant to rules adopted by the
40 department, may advance the cost of such testing. The department

1 shall mail a copy of the test results by certified mail, return
2 receipt requested, to the alleged father's and mother's, if she is
3 also the custodial parent, last known address.

4 (5) If the test excludes the alleged father from being a natural
5 parent, the division of child support shall file a copy of the
6 results with the state registrar of vital statistics and shall
7 dismiss any pending administrative collection proceedings based upon
8 the affidavit in issue. The state registrar of vital statistics shall
9 remove the alleged father's name from the birth certificate and
10 change the child's surname to be the same as the mother's maiden name
11 as stated on the birth certificate, or any other name which the
12 mother may select.

13 (6) The alleged father or mother, if she is also the custodial
14 parent, may, within twenty days after the date of receipt of the test
15 results, request the division of child support to initiate an action
16 under RCW 26.26.500 through 26.26.630 to determine the existence of
17 the parent-child relationship. If the division of child support
18 initiates a superior court action at the request of the alleged
19 father or mother and the decision of the court is that the alleged
20 father is a natural parent, the parent who requested the test shall
21 be liable for court costs incurred.

22 (7) If the alleged father or mother, if she is also the custodial
23 parent, does not request the division of child support to initiate a
24 superior court action, or fails to appear and cooperate with blood or
25 genetic testing, the notice of parental responsibility shall become
26 final for all intents and purposes and may be overturned only by a
27 subsequent superior court order entered under RCW 26.26.500 through
28 26.26.630.

29 (8)(a) Subsections (1) through (7) of this section do not apply
30 to acknowledgments of paternity filed with the state registrar of
31 vital statistics after July 1, 1997.

32 (b) If an acknowledged father has signed an acknowledgment of
33 paternity that has been filed with the state registrar of vital
34 statistics after July 1, 1997:

35 (i) The division of child support may serve a notice and finding
36 of financial responsibility under RCW 74.20A.055 based on the
37 acknowledgment. The division of child support shall attach a copy of
38 the acknowledgment or certification of the birth record information
39 advising of the existence of a filed acknowledgment of paternity to
40 the notice;

1 (ii) The notice shall include a statement that the acknowledged
2 father or any other signatory may commence a proceeding in court to
3 rescind or challenge the acknowledgment or denial of paternity under
4 RCW 26.26.330 and 26.26.335;

5 (iii) A statement that either or both parents are responsible for
6 providing health care coverage for the child if accessible coverage
7 that can be extended to cover the child is or becomes available to
8 the parent through employment or is union-related as provided under
9 RCW 26.09.105; and

10 (iv) The party commencing the action to rescind or challenge the
11 acknowledgment or denial must serve notice on the division of child
12 support and the office of the prosecuting attorney in the county in
13 which the proceeding is commenced. Commencement of a proceeding to
14 rescind or challenge the acknowledgment or denial stays the
15 establishment of the notice and finding of financial responsibility,
16 if the notice has not yet become a final order.

17 (c) If neither the acknowledged father nor the other party to the
18 notice files an application for an adjudicative proceeding or the
19 signatories to the acknowledgment or denial do not commence a
20 proceeding to rescind or challenge the acknowledgment of paternity,
21 the amount of support stated in the notice and finding of financial
22 responsibility becomes final, subject only to a subsequent
23 determination under RCW 26.26.500 through 26.26.630 that the parent-
24 child relationship does not exist. The division of child support does
25 not refund nor return any amounts collected under a notice that
26 becomes final under this section or RCW 74.20A.055, even if a court
27 later determines that the acknowledgment is void.

28 (d) An acknowledged father or other party to the notice who
29 objects to the amount of support requested in the notice may file an
30 application for an adjudicative proceeding up to twenty days after
31 the date the notice was served. An application for an adjudicative
32 proceeding may be filed within one year of service of the notice and
33 finding of parental responsibility without the necessity for a
34 showing of good cause or upon a showing of good cause thereafter. An
35 adjudicative proceeding under this section shall be pursuant to RCW
36 74.20A.055. The only issues shall be the amount of the accrued debt
37 and the amount of the current and future support obligation.

38 (i) If the application for an adjudicative proceeding is filed
39 within twenty days of service of the notice, collection action shall
40 be stayed pending a final decision by the department.

1 (ii) If the application for an adjudicative proceeding is not
2 filed within twenty days of the service of the notice, any amounts
3 collected under the notice shall be neither refunded nor returned if
4 the alleged father is later found not to be a responsible parent.

5 (e) If neither the acknowledged father nor the custodial parent
6 requests an adjudicative proceeding, or if no timely action is
7 brought to rescind or challenge the acknowledgment or denial after
8 service of the notice, the notice of financial responsibility becomes
9 final for all intents and purposes and may be overturned only by a
10 subsequent superior court order entered under RCW 26.26.500 through
11 26.26.630.

12 (9) Acknowledgments of paternity that are filed after July 1,
13 1997, are subject to requirements of chapters 26.26, the uniform
14 parentage act, and (~~70.58 RCW~~) 70.--- RCW (the new chapter created
15 in section 44 of this act).

16 (10) The department and the department of health may adopt rules
17 to implement the requirements under this section.

18 (11) The department has rule-making authority to enact rules
19 consistent with 42 U.S.C. Sec. 652(f) and 42 U.S.C. Sec. 666(a)(19)
20 as amended by section 7307 of the deficit reduction act of 2005.
21 Additionally, the department has rule-making authority to implement
22 regulations required under 45 C.F.R. Parts 302, 303, 304, 305, and
23 308.

24 NEW SECTION. Sec. 39. A new section is added to chapter 42.56

27 documentation, vital statistics, data, or information contained
