5 that the head of the agency for which the employee works transfer a
6 specified amount of sick leave to another employee authorized to
7 receive leave under subsection (1) of this section. In no event may
8 such an employee request a transfer that would result in his or her
9 sick leave account going below twenty-two days. Transfers of sick
10 leave under this subsection are limited to transfers from employees
11 who do not accrue annual leave. Under this subsection, "sick leave"
12 also includes leave accrued pursuant to RCW 28A.400.300(1)(b) or
13 28A.310.240(1) with compensation for illness, injury, and
14 emergencies.

15 (6) Transfers of leave made by an agency head under subsections

21 (8) While an employee is on leave transferred under this section,
22 he or she shall continue to be classified as a state employee and
23 shall receive the same treatment in respect to salary, wages, and
24 employee benefits as the employee would normally receive if using
25 accrued annual leave or sick leave.

26 (a) All salary and wage payments made to employees while on leave
27 transferred under this section shall be made by the agency employing
28 the person receiving the leave. The value of leave transferred shall
29 be based upon the leave value of the person receiving the leave.

31 to an employee of another agency, the agencies involved shall arrange
32 for the transfer of funds and credit for the appropriate value of
33 leave.

35 management, funds shall not be transferred under this section if the
36 transfer would violate any constitutional or statutory restrictions
37 on the funds being transferred.

38 (ii) The office of financial management may adjust the
39 appropriation authority of an agency receiving funds under this
40 section only if and to the extent that the agency's existing

1 appropriation authority would prevent it from expending the funds
2 received.

3 (iii) Where any questions arise in the transfer of funds or the
4 adjustment of appropriation authority, the director of financial
5 management shall determine the appropriate transfer or adjustment.

6 (9) Leave transferred under this section shall not be used in any
7 calculation to determine an agency's allocation of full time
8 equivalent staff positions.

9 (10)(a) The value of any leave transferred under this section
10 which remains unused shall be returned at its original value to the
11 employee or employees who transferred the leave when the agency head
12 finds that the leave is no longer needed or will not be needed at a
13 future time in connection with the illness or injury for which the
14 leave was transferred or for any other qualifying condition. Unused
15 shared leave may not be returned until one of the following occurs:

16 (i) The agency head receives from the affected employee a
17 statement from the employee's doctor verifying that the illness or
18 injury is resolved; or

19 (ii) The employee is released to full-time employment; has not
20 received additional medical treatment for his or her current
21 condition or any other qualifying condition for at least six months;
22 and the employee's doctor has declined, in writing, the employee's
23 request for a statement indicating the employee's condition has been
24 resolved.

25 (b) If a shared leave account is closed and an employee later has
26 a need to use shared leave due to the same condition listed in the
27 closed account, the agency head must approve a new shared leave
28 request for the employee.

29 (c) To the extent administratively feasible, the value of unused
30 leave which was transferred by more than one employee shall be
31 returned on a pro rata basis.

32 (11) An employee who uses leave that is transferred to him or her
33 under this section may not be required to repay the value of the
34 leave that he or she used.

35 (12) The director of financial management may adopt rules as
36 necessary to implement subsection (2) of this section.

37 (13) For the purposes of this section "shortly deplete" means
38 that the employee will have forty hours or less of the applicable
39 leave type under subsection (1)(d) of this section. However, the

1 employee is not required to deplete all of the employee's leave and
2 can maintain up to forty hours of the applicable leave in reserve.
