

HB 1660 - DIGEST

Requires school districts to: (1) Collect and report to the associated student body executive board the data related to associated student body card purchases and student participation in school-based extracurricular activities; and

(2) Develop, submit, and implement an extracurricular activity opportunity gap reduction plan.

Creates the promoting lively activities for youth grant program to subsidize small school districts impacted by discounted associated student body card fees charged to high school students who are low income.

Requires the office of the superintendent of public instruction to: (1) Administer the grant program; and

(2) Allocate up to two hundred fifty thousand dollars per school year for the grant program.
