

HB 1832 - DIGEST

(SEE ALSO PROPOSED 1ST SUB)

Directs the Department of Enterprise Services to develop a scoping plan, including a costs and savings assessment, for the state and local governments to achieve a fully electric vehicle fleet.

Provides that all vehicles operated by the state must be electric beginning with passenger and light duty vehicles of model year 2023, and medium and heavy duty vehicles of model year 2026.

Provides that all vehicles operated by local governments must be electric beginning with passenger and light duty vehicles of model year 2025, and medium and heavy duty vehicles of model year 2027.
