

SB 5139 - DIGEST

Declares an intent to observe daylight saving time year-round, if authorized by the United States congress, and review the potential impact the time zone has on communities along the border between this state and other states to determine whether the state should seek authorization through the United States department of transportation to change the state to mountain standard time year-round if year-round daylight saving time is not authorized by congress.

Requires the department of commerce to review impacts the state time zone and daylight saving time have on commerce in the state.
