

SB 5388 - DIGEST

Requires the public disclosure commission to: (1) Develop and provide a training course for individuals acting as treasurers or deputy treasurers for candidates;

(2) Make the course available to all interested individuals no later than September 1, 2019; and

(3) Determine the requirements for course completion and develop a system to track individuals' certification status.

Prohibits an individual, other than a candidate for that office, beginning May 1, 2020, from serving as a treasurer or deputy treasurer unless the individual has been deemed certified by the commission within the past five years.
