

SB 5413 - DIGEST

Requires paraeducators without a college degree to have at least one year of classroom experience, instead of three years, to participate in the pipeline for paraeducators conditional scholarship program. Candidates enrolled in the program should complete their associate of arts degree at a community and technical college in four years or less, instead of two years.

Requires a recipient to be accepted and maintain enrollment at a community and technical college for no more than four years, instead of two years, in order to receive conditional scholarship awards.
