

**SB 5559 - DIGEST**

Requires the following materials to be attached to a complaint, when a civil action is commenced by service of a copy of a summons and complaint before court filing and without a court-assigned case number, and the action is based on an alleged noncommercial claim, payment obligation, express or implied contract, or agreement, whether or not the obligation has been reduced to judgment: (1) A copy of the contract or other writing evidencing the original claim, obligation, contract, or agreement containing the defendant's signature or other authenticated evidence of the debtor's agreement;

(2) An itemization of the amount sought; and

(3) If a person other than the original claimant brings the action, a complete copy of an assignment or other writing establishing a transfer of interest to an assignee.
