

SB 5670 - DIGEST

Allows a fire protection district to: (1) Enter into an interlocal agreement with a local jurisdiction to maintain and repair a vehicle owned and used exclusively by the county, city, town, school district, or other political subdivision of the state; and

(2) Directly provide, enter into an interlocal agreement with a local government entity to provide, or contract with a local government entity to provide ordinary maintenance services and administrative services that the district performs in support of its powers and purpose.

Authorizes the maintenance and repair of school buses to be provided by a fire protection district.
