ADOPTED 02/27/2021

1 On page 2, beginning on line 9, after ""Chokehold"" strike "refers
2 to any tactic in which direct pressure is applied to a person's
3 trachea or windpipe or any other tactic intended to restrict" and
4 insert "means the intentional application of direct pressure to a
5 person's trachea or windpipe for the purpose of restricting"

6

EFFECT: Modifies the definition of "chokehold" by providing that it means the intentional application of direct pressure to a person's trachea or windpipe for the purpose of restricting another person's airway (rather than meaning any tactic in which direct pressure is applied to a person's trachea or windpipe or any other tactic intended to restrict another person's airway).
