

2SHB 1069 - H AMD 61

By Representative Pollet

ADOPTED 02/25/2021

1 On page 12, beginning on line 16, after "services" strike all
2 material through "services," on line 18

3
4 On page 12, line 19, after "services." insert "Moneys collected by
5 cities under this section may also be used for modifications to
6 existing facilities to address health and safety needs necessary for
7 the provision, operation, or delivery of chemical dependency or mental
8 health treatment programs or services otherwise funded with moneys
9 collected in this section."

10

EFFECT: Allows a city imposing a sales and use tax for chemical dependency or mental health treatment services to use revenue from the tax to modify existing facilities to address health and safety needs necessary for the provision of chemical dependency or mental health treatment programs or services.
