

3SHB 1091 - H AMD 145

By Representative Maycumber

WITHDRAWN 02/27/2021

1 On page 6, line 9, after "jurisdiction." insert "In order to be
2 eligible for credits under the program, fuels with a carbon intensity
3 below the standard adopted by the department that are imported into
4 Washington must be imported using a mode of transport that relies on a
5 fuel that also has a carbon intensity below the standard established
6 by the department."
7

EFFECT: Requires low-carbon transportation fuels imported into Washington to be imported using a mode of transport that relies on a low-carbon transportation fuel source, in order for the imported transportation fuel to be eligible for Clean Fuel Program credit generation.
