13 referral network"

EFFECT: Adds the military spouse liaison created within the Department of Veterans Affairs to the Early Learning Advisory Council. Changes the monthly copayment schedule for households eligible for Working Connections Child Care so that eligibility is "by" certain dates instead of "beginning" on certain dates. Restores part of the current statutory definition of "eligible child" for purposes of the Early Childhood Education and Assistance Program entitlement. Provides that, working in conjunction with the Office of the Superintendent of Public Instruction and providers, the department will administer two complex needs funds. Replaces "child care aware of Washington" with "the statewide child care resource and referral network."
