2 following:

3 "NEW SECTION. **Sec. 1.** A new section is added to chapter 36.24
4 RCW to read as follows:

5 Within 12 months of being elected or appointed to the office, a
6 coroner or medical examiner must have a certificate of completion of
7 medicolegal forensic investigation training that complies with the
8 standards adopted for the medicolegal training academy adopted by the
9 criminal justice training commission in conjunction with the
10 Washington association of coroners and medical examiners and a
11 practicing physician selected by the commission pursuant to section 3
12 of this act. This requirement does not apply to an elected prosecutor
13 acting as the ex officio coroner in a county. All medicolegal
14 investigative personnel employed by any coroner's or medical
15 examiner's office must complete medicolegal forensic investigation
16 training as required under section 3 of this act. A county in which
17 the coroner or county medical examiner has not obtained such
18 certification within 12 months of assuming office is ineligible to

20 68.50.104.

21 NEW SECTION. **Sec. 2.** A new section is added to chapter 36.24

25 the international association of coroners and medical examiners or
26 the national association of medical examiners no later than July 1,
27 2025, and maintain continued accreditation thereafter. A county that
28 contracts for its coroner or medical examiner services with an
29 accredited coroner or medical examiner's office in another county
30 does not need to maintain accreditation.

1 NEW SECTION. **Sec. 3.** A new section is added to chapter 43.101
2 RCW to read as follows:

3 (1) (a) All elected coroners, appointed coroners, persons serving
4 as coroners, medical examiners, and all other full-time medicolegal
5 investigative personnel employed by a county coroner's or medical
6 examiner's office must successfully complete medicolegal forensic
7 investigation training through the medicolegal training academy
8 program within 12 months of being elected, appointed, or employed
9 unless otherwise exempted by the commission. This section does not
10 apply to elected prosecutors who are coroners in their counties.

11 (b) All part-time medicolegal investigative personnel employed by
12 a county coroner's or medical examiner's office must successfully
13 complete medicolegal forensic investigation training through the
14 medicolegal training academy program within 18 months of being
15 employed unless otherwise exempted by the commission.

16 (2) The commission, in conjunction with the Washington
17 association of coroners and medical examiners and a practicing
18 physician selected by the commission, shall develop the medicolegal
19 forensic investigation training curriculum and adopt the standards
20 for the medicolegal training academy and any exemption from the
21 requirement to complete the medicolegal forensic investigation
22 training. The commission shall exempt from this requirement any
23 coroner, medical examiner, or medicolegal investigative personnel who
24 has obtained training comparable to the medicolegal forensic
25 investigation training by virtue of educational or professional
26 training or experience.

27 (3) The commission must certify successful completion of the
28 medicolegal forensic investigation training or exemption from the
29 medicolegal training requirement within 60 days from the receipt of
30 proof of completion or request for exemption.

31 (4) The medicolegal forensic investigation training required
32 under this section must:

37 infant death syndrome developed pursuant to RCW 43.103.100 and
38 missing persons protocols pursuant to RCW 43.103.110.

39 (5) Certification under this section is a condition of continued
40 employment in a coroner's or medical examiner's office.

1 (6) A coroner's or medical examiner's office in which a coroner,
2 person serving as coroner, medical examiner, or other medicolegal
3 investigative employee, who has not otherwise been exempted by the
4 commission, is not certified within 12 months of being elected,
