

2SHB 1365 - H AMD 244

By Representative Santos

ADOPTED 03/01/2021

1 On page 2, beginning on line 6, after "Therefore," strike all
2 material through "services to" on line 12 and insert "the purposes of
3 this act are to: (a) Accelerate student access to learning devices
4 and related goods and services; (b) expand training programs and
5 technical assistance on using technology to support student learning;
6 and (c) build the capacity of schools and districts to support
7 digital navigation services for"

8 On page 3, line 9, after "district" strike "purchases" and insert
9 "purchasing"

10 On page 3, line 11, after "technology-related" strike "services
11 and products" and insert "goods and services"

12 On page 3, line 13, after "selecting" strike "services and
13 products" and insert "goods and services"

14 Beginning on page 3, line 39, after "to" strike all material
15 through "of" on page 4, line 5 and insert "advance the following
16 objectives:

- 17 (a) Attain a universal 1:1 student to learning device ratio;
18 (b) Expand technical support and training of school and district
19 staff in using technology to support student learning; and
20 (c) Develop district-based and school-based capacity to assist
21 students and their families in accessing and using technology to
22 support"

23 On page 4, line 38, after "other" strike "data-related" and
24 insert "data related to"

25 On page 5, line 2, after "the" strike "goals" and insert
26 "objectives"

27 On page 5, beginning on line 10, after "accomplishing the" strike
28 all material through "act" on line 11 and insert "following: (i)
29 Accelerate student access to learning devices and related goods and

1 services; (ii) expand training programs and technical assistance on
2 using technology to support student learning; and (iii) build the
3 capacity of schools and districts to support digital navigation
4 services for students and their families"

5 On page 5, beginning on line 14, after "on" strike all material
6 through "families" on line 22 and insert "innovative and
7 collaborative activities occurring in communities across the state to
8 support widespread public technology literacy and fluency, as well as
9 student universal access to learning devices"

EFFECT: (1) Changes a reporting requirement from an update on technology-related activities of specified agencies and schools performed in collaboration with state, local, or community-based initiatives to an update on "innovative and collaborative activities occurring in communities across the state to support widespread public technology literacy and fluency, as well as student universal access to learning devices."

(2) Revises the language describing the goal of the act, so that it reads as follows: "(a) Accelerate student access to learning devices and related goods and services; (b) expand training programs and technical assistance on using technology to support student learning; and (c) build the capacity of schools and districts to support digital navigation services for students and their families."

(3) Revises the language describing the objectives of the technology grant, so that it reads as follows: "(a) Attain a universal 1:1 student to device ratio; (b) expand technical support and training of instructional and district staff in using technology to support student learning; and (c) develop district-based and school-based capacity to assist students and their families in accessing and using technology to support."

(4) Makes nonsubstantive changes, for example replaces the term "services and products" with "goods and services."
