

SHB 1629 - H AMD 1138

By Representative Dent

WITHDRAWN 02/15/2022

1 On page 3, line 17, after "imagery;" strike "and"

2

3 On page 3, line 18, after "(g)" insert "Include an evaluation of:

4 (i) How aerial images are protected against data breaches and
5 unauthorized disclosure, including an assessment of how authorized
6 users are identified for various types of aerial imagery used by state
7 agencies, local governments, special purpose districts, and tribal
8 governments; and

9 (ii) The range of privacy issues involved in aerial imaging and
10 how the privacy rights of Washingtonians might best be protected as
11 usage of aerial imaging by government proliferates; and

12 (h)"

13

14

EFFECT: Requires that the study include an evaluation of how aerial images are protected against data breaches and unauthorized disclosure, including an assessment of how authorized users are identified for various types of aerial imagery used by state agencies, local governments, special purpose districts, and tribal governments. Requires that the study also include an evaluation of the range of privacy issues involved in aerial imaging and how the privacy rights of Washingtonians might best be protected as usage of aerial imaging by government proliferates.
